But I really enjoyed it! Of course there are a lot stupid scenes and unrealistic actions, but nevertheless I had fun.Trace was a interesting character, that faced the difficulties ahead of her head on and never really broke down, she didn't wimp out and

followed her path. Nixon, well he is an a-hole in the beginning, although it is really obvious why he behaves that way. All characters lacked depth, but I guess you can't really expect more in that kind of story^^The story itself and the setting were ridiculous, no questions about it, this is a school full of underground students and mafia people. If you don't take it too serious you can have with this story. If you know, what you are going into and don't mind the silliness, I believe you can enjoy this story and I am looking forward to the next book.

Man ist hin und her gerissen beim Lesen, weiß manchmal nicht was man davon halten soll, wird auf der anderen Seite aber von der Story gefangen genommen und möchte wissen wo sie endet. Das Buch kommt ohne viel Sex aus. Ist sicherlich mehr was für das jüngere Publikum. Es lässt sich flüssig lesen und für mich war es OK, deshalb 3 Sterne -5 gibt es wenn mich ein Buch vom Hocker reißt und ich die Geschichte nicht mehr verlassen möchte- Vielleicht gibt es im 2 Teil ja noch eine Steigerungsmöglichkeit, das Potenzial ist da.

There is this great chemistry between Trace and Nixon. First you think Nixon is such an ass, but he really isn't. I feel with him and I'm totally TEAM NIXON!! And this is exactly where we come to the fact that I can't do a 5 star rating, cause I don't like it that Trace loves Nixon but also has feelings for Chace. I'm deeply hurt for Nixon. For me it has a little bit of the twilight thing (also didn't like that, and 100% team Edward btw) and this is exactly why in the end I didn't like Trace that much anymore. I recommend this book and gonna read the next book!

Kurzbeschreibung For Tracey Rooks, life with her grandparents on a Wyoming farm has always been simple. But after her grandmother's death, Tracey is all her grandfather has. So when Eagle Elite University announces its annual scholarship lottery, Tracey jumps at the opportunity to secure their future and enters. She isn't expecting much-but then she wins. And life as she knows it will never be the same . . . The students at Eagle Elite are unlike any she's ever met . . . and they refuse to make things easy for her. There's Nixon, gorgeous, irresistible, and leader of a group that everyone fears: The Elect. Their rules are simple. 1. Do not touch The Elect. 2. Do not look at The Elect. 3. Do not speak to The Elect. No matter how hard she tries to stay away, The Elect are always around her and it isn't long until she finds out the reason why they keep their friends close and their enemies even closer. She just didn't realize she was the enemy -- until it was too late.
