Gut für ein Wochenende, aber vom Hockergerissen hat mich die ganze Serie leider nicht. Insgesamt geht es um eine Eishockeytrainerin in der amerikanischen Profiliga, die mit Vorurteilen zu kämpfen hat und sich trotzdem oder gerade deswegen erst in einen, dann in einen zweiten aus der Mannschaft verliebt, wobei die beiden Männer sich auch gegenseitig lieben. Neugierig geworden? Dann lesen und selber Kritik schreiben.

Kurzbeschreibung Garrick LeBlanc never intended to fall in love with two people, but he has, and now he has to figure out what to do about it. He wants to make them happy, but is afraid hes doing just the opposite. To make matters worse, hes trapped in New Brunswick until the end of the hockey season, while his lovers are both in Boston. Savannah Morrison has no one but herself to blame for practically shoving her lover into the arms of another man. After all, it was her idea that Garrick take a lover while they are separated for the season. She loves Garrick with all her heart, but how the hell is she going to share him with Rhian? Rhian Savage used to have such a simple life. Now hes in love, his dreams of skating on an NHL team are coming true, and he keeps spotting a strangely familiar face in the crowds. To top it all off, he has to see Savannah every day. He knows shes Garricks real future, but he doesnt have the balls to do the right thing for all of them and end it until his life goes sideways. As usual. Now Rhian is alone, Garrick is heartbroken, and Savannah the one person Rhian figured would celebrate his departure is beating down his door. What the hell is up with that? What the hell is up with that? ber den Autor und weitere Mitwirkende Samantha Wayland has always dreamed of being a novelist. She wrote her first novel as an escape from the pressures of her day job. That fascinating piece of contemporary erotic mystery/suspense with elements of paranormal, international intrigue, and god only knows what else, is safely tucked under her bed, where it will remain until hell freezes over. Since then shes learned a lot about the craft and turned her attention to writing contemporary MM and MMF Mnage erotic romance. Sam lives with her family of both the two and four-legged variety outside of Boston. She used to spend her days toiling away in corporate nerdville but was recently sprung from that hell. Now when shes not locked away in her home office, she can generally be found tucked in the corner of the local Thai place with a few beloved friends and an adult beverage. Her favorite things include mango martinis, tiny Chihuahuas with big attitude problems, and the Oxford comma. Sam loves to hear from readers.
