Book 3) (English Edition):

Kurzbeschreibung End of Days is the explosive conclusion to Susan Ee's bestselling Penryn the End of Days trilogy. After a daring escape from the angels, Penryn and Raffaele are on the run. They're both desperate to find a doctor who can reverse the twisted changes inflicted by the angels on Raffaele and Penryn's sister. As they set off in search of answers, a startling revelation about Raffaele's past unleashes dark forces that threaten them all. When the angels release an apocalyptic nightmare onto humans, both sides are set on a path toward war. As unlikely alliances form and strategies shift, who will emerge victorious? Forced to pick sides in the fight for control of the earthly realm, Raffaele and Penryn must choose: Their own kind, or each other?
