Kurzbeschreibungthat's the thing. I never had a chance. I was always yours. Oliver Sasaki has a comfortable life. Having escaped an oppressive childhood in London, he's now on the sunny coast of Southern California, working on his graduate degree, and taking care of his younger brother, Leo. He has it all worked out: no dating, no commitments, just fun. All of that changes one night when he meets Gabriel, the adorable barista who turns his entire world upside down. Finally learning what it means to be in love, Oliver is certain nothing can destroy what he has, certain this is all forever. But when his past comes back to haunt him, Oliver's life begins to fall apart. Will love be enough to save Oliver from himself? Or is there no such thing as forever?
