**Von Chelle Bliss : Enshrine (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Enshrine (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Discover another side of Chelle Bliss!Von NinaWonderful Heartbreaking Different. These three words describe Chelle Bliss newest standalone ENSHRINE perfectly for me. This story takes you on an emotional roller coaster and will have you tery-eyed on more than one occasion. Plus, it is so different from Chelles previous novels and shows the amazing

variety this author has to offer. While of course there were these sizzling sex scenes we have come to expect by her, this story is so much more. A moving story about hope and love. The story deals with a very sensitive topic in such an incredible way it is the perfect mixture of emotion and sadness, but its laced with humor as to not make it an overly-sappy story. This book proves again why Chelle Bliss is one of those authors I blindly one-click she never disappoints. Bruno and Callie share a wonderful bond one that runs much deeper than even Callie is aware of that first. While Callie is having the fight of her life, she has Bruno, a mysterious and feared man generally known as The Butcher, always at her side. He simply does not want to give her the space she thinks she needs so much but does she? And how can all those awful rumors about Bruno be true when she sees the devotion and admiration he has for her? You'll have to find out yourself!!

Kurzbeschreibung\*\*THIS IS A STANDALONE NOVEL\*\*\*This isnt your typical love story its a story of survival. Most importantly - Its about finding the light and basking in the rays. After a phone call changes my life, I shut the world out. Paralyzed by the fear, the darkness becomes inescapable. When I refuse to open my door, my best friend goes to the most notorious man in town. Brunos known to everyone in the neighborhood hes feared and only spoken about in whispers. Only theres a problem after he breaks down my door, he doesnt want to leave. I never expected to find a man with a heart bigger than his reputation. But just like illusions, things are never what they seem. With fear surrounding me, only he can chase away the shadows.
