One of my three favorite series everVon Kindle-KundeI have to admit, the Eagle Eye series is one of three series I adore. Aside from Tijan's Fallen Crest and Stone's Academy series, Van Dyken's series is outstanding and meets all my criteria for my highest rating. I connected with the story, felt the character's emotions, couldn't put the book away and

want to read it again. Van Dyken is an excellent author and storyteller. Her choices and methods are fantastic. Her stories start with a future scene and a cliffhanger. The prologue in Entice let me tear up and nearly cry. It is a heartbreaking entry. The reader has to read further. Van Dyken's writing style and narration are amazing. They are detailed and vivid enough to increase the suspense and to transport the character's feelings. The story is written in Mil's and Chase's but also in Nixon's and their other friend Tex' narratives. Van Dyken is a little bit mean! While the reader connected with Trace, sympathized with her, her perspective doesn't exist in the last two books. The reader learns only through Nixon's and Mil's perspectives how she is and feels. I am really thankful about Nixon's narration. He provides the reader with an insight in his relationship with Trace. It is a smart decision and demonstrates Van Dyken's abilities. I really appreciate that she writes about the aftermaths of the love triangle. It is real that Trace's, Nixon's and Chase's conflicts are still there and influence their friendships. While Trace's and Nixon's family issues are solved, they are confronted with Mil's family history. It is once again an interesting, exciting, thrilling and fun mafia story that doesn't sugarcoat violence but doesn't overdraw the violent descriptions. I love multiple storylines and the introduction of the storyline that will be the center of the fourth book. I can't wait till the release date. I want to read what happens to Monroe, Nixon's twin sister, and Tex.

Von Kerstin_p Die Story um die Mafia Kinder geht nun, wie in Band 2 am Ende angekündigt, mit der Geschichte von Chase weiter. Chase heiratet aus mafis diplomatischen Zwngen/Strukturen Emiliana, genannt Mil, die Schwester des verstorbenen Phoenix. Natürlich hängt er ja eigentlich immer noch Trace, die ja mit Nixon zusammen ist, hinterher. Die Story von Chase und Mil begann ja bereits Jahre vorher, als Chase sozusagen der "Erste" bei Mil war. Dass das dann am Ende noch eine unerwartet wichtige Rolle spielen wird, ein interessanter Twist. Es geht nun also zum Einen darum, wie dieses Paar, die diese Ehe nur aus Vernunftgründen eingegangen ist, zueinander findet. Wie Chase bei Trace hinwegkommt und diese Liebe irgendwann neu bewertet, wie Mil lernt, zu vertrauen und als Chefin des De Langes Clan an ihren Aufgaben wächst, zum Anderen aber, wie Nixon als Oberchef des Mafia Clans versucht, die verschiedenen Gruppen wieder friedvoll zusammenzuführen und das bei für das ganze Zerwürfnis rauszufinden um den derzeit vorherrschenden Krieg zu beenden. Und genau das war mir dann doch mitunter zuviel. Die ganzen Verwicklungen mit den verschiedenen Clans, der Ursprungsgrund, warum die Situation entgleist einhergehend mit absolut selbstverständlicher Gewalt. Es war mir mitunter fast zu konfus, bzw. zu wenig nachvollziehbar. Die Charaktere haben sich seit dem 1. Band durchaus weiter entwickelt. Nixon ist der Chef und muss immer für Andere mitdenken und hat für mich leider ein wenig an Appeal verloren. Chase ist nach wie vor liebenswert und die, in diesem Band weitergeführte "nicht-Beziehung" von Mo und Tex findet wohl in Band 4 die Fortsetzung. Was mir echt eine wenig gegen den Strich geht, neben der, wie erwähnt, für mich manchmal etwas konfus-nicht nachvollziehbaren Handlung, die so leid es mir tut, dermaßen illusorisch und unglaublich ist (zumindest für mich hier so vom Land) ist die nun zwischenzeitlich absolut selbstverständlich gewordene Gewalt. Prügeleien, Waffen und Drohungen, Keiner wundert sich bei irgendwas. Es werden Witze gemacht, wer wen wie "schnell" und auf welche Art erledigt, so hat doch Jeder seine Vorlieben, Gegnern das Leben zu nehmen. Dass sie ständig bedroht werden, dauernd um ihr Leben fürchten müssen und in Extremsituationen dann sarkastisch reagieren und ihr eigenes Leben, so kommt es einem zumindest vor, sie nicht die Bohne interessiert, also damit kann ich mich nicht so recht anfreunden. Sogar Trace besitzt ihren eigenen Revolver, jederzeit bereit, ihn zu benutzen - welche Wandlung zu Band 1. Das Buch ist primär aus der Sicht von Chase, Mil und Nixon geschrieben. Auch wenn mich die aufgeführte Gewalt ein wenig störte, natürlich hab ich es gern gelesen, freue mich, dass Chase sein Glück gefunden hat und werde mich auch in Band 4 Tex und Mo sehr gerne zuwenden.
