Von Julie Johnson : Erasing Faith (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Erasing Faith (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bittersweet romanceVon NaamirahKein Spoiler zum Inhalt. Ich hatte zuerst Julie Johnsons Roman *Not you-it's me* gelesen, der mich total begeistert hat (siehe Rezension). Die Story in *Erasing faith* ist zwar von der Stimmung her ganz anders (witzig und leicht versus vorsichtig und tiefgrndig) konnte mich, bis auf minimale Kleinigkeiten aber

ebenso berzeugen. Die Schreibe ist toll, die Autorin eine offensichtlich intelligente Frau mit viel Sinn für das Außergewöhnliche im Alltäglichen. Mit Feingefühl entwickelt sie ihre Charaktere. Ihre Beschreibungen und Vergleiche originell ohne übertrieben zu wirken. Ich fand die Geschichte der beiden Hauptfiguren emotional nachvollziehbar und sehr gelungen. Falls ich jemals beschließen sollte zu schreiben, dann gerne so gekonnt wie Julie Johnson. Bin gespannt auf mehr aus ihrer Feder.

Kurzbeschreibung They were doomed from the start...Faith Morrissey is overdue for an adventure. After twenty years in the same small town, she sets out on a year-long study abroad trip, fully expecting to fall in love with the wonders of Budapest. She certainly doesn't expect to fall for Wes, the mysterious stranger who sweeps her off her feet mere days after her arrival. It seems almost too good to be true. Probably because it's all a lie. Weston Abbott is a ghost. In service to his country, he's done unspeakable things the kind of things that make settling down or falling in love out of the question. That's never been a problem until he meets Faith. No matter how many times Wes tells himself she's just a mark, he can't deny she rattles his composure like no one else. And he can't seem to shake the forbidden feelings that stir to life whenever he's with her. Wes knows better than anyone: the line separating fact from fiction is almost as fine as the one between love and hate. And, if the truth comes out, it may erase their love along with all the lies. ERASING FAITH is a full-length standalone second-chance romance, with a healthy dose of steam and suspense mixed in for good measure. Told in dual POV, it contains mature themes and strong language and thus is intended for readers ages 16 and up.

ber den Autor und weitere Mitwirkende Julie Johnson is a twenty-something Boston native, suffering from an extreme case of Peter Pan Syndrome and an obsession with fictional characters. When she's not writing, Julie can most often be found daydreaming, drinking too much coffee, or striving to conquer her Netflix queue. You can find Julie on Facebook or contact her on her website www.juliejohnsonbooks.com. Sometimes, when she can figure out how Twitter works, she tweets from @AuthorJulie.
