Von S. J. Day, Sylvia Day : Eve of Chaos (Marked series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Eve of Chaos (Marked series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Best one in this Series so far...Von SusiSunshineThis book is definitely my favorite one so far. I read it in only 12 hours- in one session. Yep, it's so good.Eve is a real magnet for trouble these days. After accomplishing full Mark status she now has so much to do that she really doesn't need the Devil to go after her as well.Since Alec got promoted to Archangel

he has to fight his inner demons. He can't shut the voices and his anger up. He knows something is wrong but he has no idea to whom he should go for help. He needs someone who won't betray him? He needs help badly before ruins the relationship to Eve completely or perhaps it's already too late for this. Reed sees his opportunity in this development between our lovebirds. He tries everything to get in Eve's pants but he didn't foresee that he's also getting in her heart. Eve is as torn between the brother as never before. What if she makes the wrong decision? Which one is the better choice? The story and characters are so deep and wonderfully described, there's no way to don't like them. The story is thrilling and passionate and full of surprises. The end of this book is so mean but in a positive way! If you call it a cliffhanger it would be an understatement. Can't wait to get my fingers on the next one. It's now officially one of my favorite series.

**Kurzbeschreibung** From the #1 Sunday Times bestselling author of *Bared to You* When Evangeline Hollis spent a night of passion with the darkly seductive Alec Cain, she had no idea that she'd be punished for it years later. Branded with the Mark of Cain, Eve was thrust into a life of hunting demons as penance. Living with the Mark--and the two sexy brothers who come with it--was trouble enough. But then Eve ran over Satan's hellhound during training. Now Satan, incensed at the loss of his pet, has put a bounty on Eve's head, and every demon in the country wants to be the one to deliver her. Meanwhile, Eve's formerly insatiable one-night stand is acting distant. Cain says he still wants Eve, and she believes him, but scorching hot sex isn't enough. Not after knowing what it was like to have more. As Cain's role in Eve's life becomes more and more uncertain, Abel doesn't hesitate to step in. **Pressestimmen** "Exhilarating adventure in an edgy world of angels and demons highlights the opener of *Days Marked* trilogy. Dynamic and vibrant, Eve is an impressive protagonist, and her fierce spirit and determination to make the best of her circumstances will keep readers enthralled."--*Publishers Weekly* "Day, aka multitalented author Sylvia Day, explodes onto the urban fantasy scene with a new twist on the Cain and Abel story. Its dark, gritty and sexy to the max, so readers can be thankful the next chapter in this pulse-pounding series is only a month away!"--*Romantic Times* **BOOKreviews** "Great characters and terrific storytelling in a hot-blooded adrenaline ride. A keep-you-up-all-night read."--*Patricia Briggs*, #1 New York Times bestselling author "Eve of Darkness is a sizzling, heart-pounding urban fantasy that thrilled and fascinated me from beginning to end. Eve is a smart, spirited heroine I won't soon forget!"--*Jeri Smith-Ready*, award-winning author of *Wicked Game* and *Bad to the Bone*
