Niedliche, lustige Liebesgeschichte.Von MarionAmanda wird von dem Schul-Geek Preston vor versammelter Aula zum Prom eingeladen. Und jeder, der sowas schon mal erlebt hat (gut, vielleicht nicht ganz zu publik, aber dennoch), der wei: die innere Stimme die schreit 'sag nein! sag nein!' und die Logik, die einem erklrt, dass der arme Kerl....

Furchtbar! Jedenfalls sagt Amanda, sie habe schon eine Verabredung, was komplett gelogen ist und natrlich am Abend des Balls auch rauskommt. Einige Jahre spter sitzt Amanda in der Kirche und hat gerade erlebt, wie ihr Freund bei der Frage 'Hat jemand etwas gegen diese Verbindung einzuwenden' sich gemeldet hat und versucht hat die Braut zu berreden mit ihm durchzubrennen. Zu allem berfluss beginnt es durch ein Handgerangel auch noch zu brennen und die Feuerwehr taucht auf. Und mit ihr der tollste Mann der Welt, der sich im Nachhinein als Preston herausstellt. Ab da kommt es zu wilden Dialogen und witzigen Situationen bis die zwei sich endlich bekommen. An einigen Stellen hat die Geschichte logische Fehler, aber nichts weltbewegendes. Allerdings finde ich es seltsam, dass ein 23-jhrige schon Torschlusspanik hat - aber das ist wohl was typisch amerikanisches. Ihre Freundin hat ja auch schon im gleiche Alter mehr als ein Kind... Ein gutes Buch fr einen netten Nachmittag, wenn der Tag so richtig mies war.

Kurzbeschreibung When I was little, I was under the impression that guys rode in on white horses and rescued the fair damsel from the dragon. They'd ride off into the sunset, share true loves kiss and live happily ever after. Nobody ever told me it was a lie. Or that the only guy who would rescue you in High School was the school nerd with Star Wars t-shirts and glasses thicker than an airplane window. I guess it shouldn't come as much of a shock that once I graduated high school and started "my career" the first guy to sweep me off my feet was a complete loser, followed by someone who still lived with his mother, and finally coming full circle to where Im sitting now. At some chicks wedding while my boyfriend stands up in the middle of the ceremony and yells, "I object!" Disney did not prepare me for this. Bad gets worse when I run into the ghost of high school nerds past only to find him a smoking hot firefighter.

Unfortunately, he remembers how I treated him, so now I'm the nerd and he's the sexy one. Pretty sure Karma's coming for me in a really big way especially considering Preston refuses to leave me alone and ends up on vacation with me and my friends, friends he stole by the way, in Hawaii. He says he likes me, yet annoys me at every turn, and I can't help but think he wants some sort of revenge for turning him down in front of the entire student body. One things for certain, this vacation? Not going to end well. Besides it's not like I'm going to fall for him...nope. Not..at *cough* all.
