I'm still trying to catch my breath! Everything you heard of how hot and good this book is, is true! And that shower scene definitely is one of the hottest!!!Oliver and Eliza known each other for years. He was the playboy brother of Eliza's best friend Caroline (read Owned by Fate and

you will get to know her and a first impression of Oliver and Eliza). It's also Caroline who drags her into Serve. And it's there where all the trouble starts. Eliza is interested in the Brit Porter. A guy who's into BDSM as well, but more on the pain side of it. Oliver claims to know that's not what Eliza wants. So when he confronts her Eliza has this strange idea...he should teach her all about BDSM so she can serve Porter. For a guy to have a commitment phobia not a problem, right? Three lessons and she's ready to serve another. No big deal.Oh yeah, right! When did that ever was that easy? Feelings pushed back for years, not thinking about having a chance and now it will be that easy to just teach and learn.Oliver and Eliza are so good together. When it's not all about the lessons they have fun, can give and take in witty comments and are both driven to be successful in their jobs.It's fun, hilarious, heartwarming and OH SO HOT!!!!!! Geez, these two together ignite a fire that could keep the whole world warm! The writing is awesome and the book a page turner for sure! Really looking forward to the next book in this series!
