Von Monica Murphy : Fair Game (The Rules Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fair Game (The Rules Book 1) (English Edition):

KurzbeschreibungWhen your boyfriend bets YOU in a poker game, you better know when to runBad enough Jade

Frost's boyfriend drags her to an illegal gambling house. Even worse that he actually threw her into the betting pot during an intense round of poker and lost. Talk about the perfect excuse for Jade to make him her ex-boyfriend. Now she supposedly belongs to the ultra rich, extremely gorgeous Shep Prescott. He could have anything he wants yet he seems to be in hot pursuit of her. No matter how rude, how snarky, how impossible she acts, it doesn't stop him. More like her horrible behavior seems to make him want her even more. When she finds herself starting to fall for him, Jade is confused. There's more to Shep than the carefree rich charmer he portrays. No way could he want a serious relationship with her or could he?
