sagt ja bereits der Buchtitel. Es ist alles dabei, was Herz eines Märchenliebhabers begehrt: Seelenverwandtschaft, Drachen, eine böse Hexe, Flöhe und am wichtigsten: a true love's kiss. Zum Glück für uns erwachsene Leser bleibt es jedoch nicht nur bei dem Kuss. Wer also glaubt, ein Kindermärchen zu lesen zu bekommen, irrt. Es gibt einige sehr heiße Szenen, stellenweise gab es auch was zum Lachen und das alles eingebettet in einem modernen Rahmen. Das einzige winzige Manko, das ich vorbringen kann ist, dass man deutlich merkt, dass die Autorin Britin ist. Eigentlich kein wirklicher Kritikpunkt, hab mich nur an manchen Stellen über die Ausdrucksweise gewundert. Wer sich mit einem modernen, zeitgemäßen Märchen etwas die Zeit vertreiben möchte, ist bei diesem Buch an der absolut richtigen Adresse. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz okay Von a.f. Super leichte Lektüre. War ganz nett. Hat mich an manchen Stellen ein bisschen zusammenzucken lassen, weil es selbst für mich zu unglaublich und kitschig war. Liest sich teilweise so, als hätte es ein pubertierender Teenager geschrieben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Quirky :) Von Verena I love Holly Martin's books. This is the third I have read so far and it is so uplifting and joyful that you just want to keep on reading. The characters and the setting are so cute and quirky, and yet you feel as if they are real.

Kurzbeschreibung "This story had everything that I utterly adore... Fairytale Beginnings by Holly Martin was absolutely gorgeous in every single way possible." Becca's Books Hopeless romantic Milly Rose has had her fair share of heartbreak. Obsessed with all things Disney, she refuses to give up on finding her Prince Charming out there somewhere, isn't he? When Milly is given a job to investigate the origins of a historical building in the village of Clover's Rest, she's not sure what to expect. What she discovers takes her breath away - a beautiful real life Cinderella castle, complete with turrets, a magnificent drawbridge AND a very handsome owner Cameron Heartstone. As Milly and Cameron begin to unearth the secrets of Clover Castle, they can't ignore the intense chemistry building between them. But they've both been hurt badly before. Can they take a big leap of faith and find their own happily-ever-after?
