lands in a most awkward situation when Bryan approaches him in the coffee shop. Bryan can really count himself lucky. Another stranger might have knocked his lights out instead of playing along when being declared his new boyfriend out of the blue. Although both men are just mere minutes together they have a lively conversation, laughing and having fun visiting the local museum afterwards. Still Bryan's stalking ex-girlfriend Dana won't let go and they continue this fake boyfriend charade even around friends and work colleagues. Soon Vincent and Bryan wonder if it really is just pretending or something more? Jerry Cole has created two straight men finding out how perfectly they fit together totally by accident. Vincent and Bryan are vividly described and their relationship development is convincing. I found it nice that they are not lost struggling with labels and go with their curiosity and what's feeling good for them. Just on a side note: is it just always me being stuck with cleaning the cat litter I wonder? The heroes in all those books are dedicated cat feeders but seem blissfully spared from this job \*smile. I really liked this fluently written, fresh story and the sweet MCs with their well deserved HEA ending. A light and entertaining read that left me with a satisfied smile, as it should be after every little book-break :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. SVon Minelli Vielmehr kann man dazu nicht sagen. Das war ein wirklich ses Buch ohne viel Drama. Sympathische Charaktere und man freut sich einfach dass die beiden zusammen sind. 0 von 0 Kunden fanden die folgende Rezension hilfreich. So Sweet Von Customer It was really sweet how they got to together and positiven influenced each other to follow their dreams although Brians mom and Dana seem to be scary but still good to know Bryan escaped somehow... And with vincent no less!

Kurzbeschreibung Vincent Diaz's life was extraordinarily boring. He worked a boring job and went home to his boring life knowing he'd given up all of his dreams of being an artist and creating for a living. That was when Bryan Andersen barged into his life, smiling, laughing, and pulling him close, declaring him to be his new boyfriend whether Vincent liked it or not. Bryan had recently broken up with his girlfriend, Dana, who handled the breakup less than well, leading Bryan to come up with the ultimate excuse that he had "realized he was gay" and that's why he couldn't see her anymore. She didn't buy it. He needed to find an alibi and quick! Together, Vincent and Bryan fake dating to throw Bryan's ex-girlfriend off his trail, but Dana doesn't give up easily, and Vincent and Bryan find their quick-forming friendship may be leading to a relationship that's not as fake as they had intended it to be.... Please Note: This book contains Adult Language Steamy Adult Activities, it is intended for 18+ Adults Only. Novella, approx. 30,000 words in length. HEA (happy ever after ending). Does not end with a "cliffhanger". Kurzbeschreibung Vincent Diaz's life was extraordinarily boring.
