Von Meg Collett : Fakers (Canaan Island Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised *Fakers (Canaan Island Book 1) (English Edition)*:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ausbaufhig!Von LauDas Buch hat mir gut gefallen, aber ich htte mir etwas mehr Tiefgang gewünscht, beispielsweise Violet in die Geschichte strker einbinden. Oder Kyras Vater einbringen.Das Ende kam auch etwas schnell, auch hier htten ein paar Worte mehr nicht geschadet.Das Buch hat mich mit vielen Fragezeichen zurck gelassen und ich hoffe

sehr, dass es zu dieser Serie bald mehr Bnde gibt. :)

Kurzbeschreibung Kyra Aberdeen is a YouTube sensation. Her bubbling personality and fresh beauty capture her audience each week, but they dont know the truthshes just faking it. Beneath the surface of light-hearted smiles is a simmering darkness threatening to pull Kyra under. When Kyra moves to Canaan Island and buys her deceased mothers childhood home, she hopes to confront the lurking shadows haunting her every step. But when she meets her grumpy contractor, even her best-laid plans start to unravel. Hale Cooper is as brutally honest as he is intriguing. He hates fakers, and isnt afraid to call Kyra on her false personality. Yet, she is drawn to him, and the unexpected attraction to a man who challenges her to be her true self lands her in uncharted waters. But if she lowers her guard and allows herself to be honest with Hale, will the darkness creep in too? This book is recommended for mature readers due to some sexual content and language. Cutting is represented in this book, and scenes may be considered triggering to some.
