Von Tijan : Fallen Crest High (Fallen Crest Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fallen Crest High (Fallen Crest Series, Book 1):

Party loving gangster teeniesVon also... that's what I get from this book.The protagonist Sam(antha) is pretty dead inside already when the story starts. She's best friends with the most superficial party-girls and has never made love to her boyfriend, though they've been together for 3 years already. No wonder he's cheating. With her best friend. Not only though. Then there are the Kade brothers Mason and Logan at public school, they are everybody's gossip, every girl's

dream and everybody "kisses their a**". First time they appear, they set 2 cars on fire at a gas station. Sam steers, sneers and they pretty much don't like each other very much. But Sam's mother has a surprise for her daughter: They are leaving her father and moving in with the Kades. When Sam finds out the truth about her so-thought "family", about the cheating of her boyfriend and best friends and has to move into the Kade-mansion, she turns even more cold and quite mean. But even so, people like her. Or love her even. It's quite absurd. It's really hard to identify with even ONE of the characters but somehow I decided to not stop reading. So there must be something about this book and so it gets 3 stars from me. Though I was being quite generous about the stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fallen Crest High Von Lize I made the mistake to assume that it is a book for my age group. It is a nice book for young people to read. It's all about love and romance and being young and sometimes stupid. If you are a serious reader find something else to read. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Mmh... Von ELLA Diese Reihe habe ich mir gekauft, weil alle Rezensionen durchweg positiv waren und mich auch der Klappentext berzeugt hat. Nun bin ich mit dem ersten Buch fertig und bin ein gelinde gesagt ein bisschen enttäuscht. Die Protagonistin Sam gefällt mir auf den ersten Seiten wirklich gut, aber dann kippt die ganze Sache. Was mir nicht gefällt ist die an den Haaren herbeigezogene "enge" Bindung zu den Kade Brüdern. Die erste Hälfte des Buches sind die Brüder so gut wie garnicht vorhanden, sie geht nur rennen oder versteckt sich vor denen und auf einmal ist es die große Liebe zwischen Mason und Sam und Logan ist so lieb wie ein echter Bruder?? Fehlen mir ein paar Seiten? Sam hat 3 Jahre einen Freund und wird nie intim mit ihm, aber Mason fasst sie nur an und schon sind die beiden nicht mehr aus dem Bett zu kriegen? Auch die letzten Szenen im Buch (das aufeinandertreffen der Eltern oder Nichteltern) hatte was von Comedy. Trotz allem werde ich die anderen Bücher auch lesen, in der Hoffnung es wird besser. Kurzbeschreibung Mason and Logan Kade are two brothers who did their own thing. They were rich and expected to attend Samantha's school, Fallen Crest Academy. They chose public school and now she has to live with them. The problem is that she doesn't care at all: about them, about her friends, about her cheating boyfriend, or even about her parent's divorce. But maybe that's a good thing. Maybe change is a good thing. This book contains adult/mature young adult situations. Pressestimmen "Tijan writes with such heart and clarity." Debra Anastasia, bestselling author of the Poughkeepsie series "Bad boys, tough girls, and a lot of misbehaving Fallen Crest High is everything I love in a book!" Penelope Douglas, New York Times Bestselling Author "I am completely, utterly, and happily addicted to the Fallen Crest series." Kylie Scott, New York Times Bestselling Author "I cannot think of another series that's as addictive or as delicious as the Fallen Crest series. The family saga is engrossing. The chemistry is palpable. The romance is heartbreaking. And the Kade brothers are HOT!"
