Everyone needs a Jax.Von JazziDamn you, Jax Trent. DAMN YOU. Even if I wanted to, I probably couldn't express how I feel in words even if I wanted to. Falling Away gets 5 well-deserved Stars from me because it's just THAT

good. I already liked Jax from what we got to see of him in *Bully*, got even more interested after *Until You* and fell completely in love after *Falling Away*. No matter how you turn it, you simply cannot end up not loving Jax. *Falling Away* was very, very hard for me to put down! I wanted to get back and drown into the book again every free minute I had. Penelope's writing is absolutely fantastic and just so catching. I can only highly recommend anyone who likes messed up and angst, romance stories this series. It's absolutely worth reading and all of the relationships are very special in their own way. The beautiful part of reading Jaxon's and K.C.'s story is that both characters went through a lot in the past and still suffer from that, both are broken. And with all that, they break their way through to finally get to each other because it's also almost impossible for them to stay away but to get there, was incredibly exciting to read. AND the author knows exactly how to write it. 1 von 1 Kunden fanden die folgende Rezension hilfreich. love the writing style Von P. Maiasome of the readers may think, it's the best of Penelope Douglas. for me personally the best of her books is still "Until you." however, I liked "falling away" more than "Rival". 4,5 stars. And NOW I can't wait Jared and Tate's story. Again. :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. awesome Von curlie31 Must read... Kurzbeschreibung Jaxon is the guy she's supposed to avoid . . . K. C. Carter has always followed the rules - until this year, when a mistake leaves her the talk of her college campus and her carefully arranged life comes crashing to a halt. Now she's stuck in her small hometown for the summer to complete her court-ordered community service, and to make matters worse, trouble is living right next door. K.C. is the girl he won't let get away . . . Jaxon Trent is the worst kind of temptation and exactly what K.C. was supposed to stay away from in high school. But he never forgot her. She was the one girl who wouldn't give him the time of day and the only one to ever say no. Fate has brought K.C. back into his life - except what he thought was a great twist of luck turns out to be too close for comfort. As they grow closer, he discovers that convincing K.C. to get out from her mother's shadow is hard, but revealing the darkest parts of his soul is nearly impossible. But *Falling Away* was my destiny. Every whisper, every breath, every kiss, and every word came from my gut. This is the book I'm most proud of.
