Huge sighs and swoon and giggles and tearsVon CassandraSuch a lovely 'from best friends to lovers' read with a lot of problems to overcome.Highly recommend it!We've met Drew and Avery in "In Bed With Mr. Wrong" and they've both been responsible for the hot weekend Ryan and Bri spent in a cabin. They've been best friends since forever and

helped each other out in their darkest times. They know each other inside out, from head to toe...or so they thought. When Avery decided to make a life-changing decision, it's only natural that Drew jumps into action, right? But with the plan he offers, one thing both haven't thought through puts their friendship at risk...love. Katee Robert knows how to write everyday people, your best friend, the guy next door. The stuff those characters have to deal with are real, so real that you're feeling with them to the point that you ache for them, cry with them, love with them. The story is easy to follow and catchy, their chemistry is hot! And the fun and laughter doesn't fall short. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Solide Arbeit Von Comiks Was man sich von einem Buch dieser Art erwartet wird erfüllt. Die Story ist auch besser als dieses arme Mädchen, reicher Mann. Solide.

Kurzbeschreibung A sexy category romance from Entangled's Brazen imprint...He's going above and beyond the call of duty...Avery Yeung's biological clock just went off early. Thanks to her family's medical history, she's running out of time to get knocked up. And the only guy within donating distance? Her overprotective-and irritatingly hot-best friend. So clearly she needs an anonymous donor...Anonymous donor? Over Sheriff Drew Flannery's dead body. While daddyhood will never be in the cards for a man with his past, Drew won't let Avery shop for a "popsicle pop." He'll do what's right for his best friend by doing his best friend. But only if they do it properly. But there's nothing "proper" about it. Between the bed, the kitchen counter, and against his squad car, Avery and Drew are having the hottest sex ever. They can't get enough of it-or each other. And without knowing it, they've crossed the one line that could ruin their friendship forever...Kurzbeschreibung A sexy category romance from Entangled's Brazen imprint...He's going above and beyond the call of duty...Avery Yeung's biological clock just went off early.
