Von Georgette Heyer : Faro's Daughter before purchasing it in order to gage whether or not it would be worth my time, and all praised Faro's Daughter:

Kundenrezensionen Hilfreichste Kundenrezensionen 7 von 7 Kunden fanden die folgende Rezension hilfreich. Regency romp around a gaming hell Von sigig@informatik.uni-kl.de Our heroine and her aunt have fallen on hard times, and try to make a living by running a gaming hell. The aunt rather recklessly spends money she doesn't have, and her vouchers land in the hands of a debauched lord who uses them to try and force the niece to become his mistress. Enter an

impressable young man who falls in love with the heroine, and his (rather attractive) uncle who will do anything to save his nephew from the clutches of a girl who works in a gaming hell. Between the confusion about who loves whom, who needs to be rescued from whom, and what to do about the voucher-holding leecher, you'll have quite an enjoyable (if somewhat predictable) read!

6 von 7 Kunden fanden die folgende Rezension hilfreich. The Quintessential Regency

Von tdcowden@lawyernet.com "Faro's daughter" is the name given to the beauties who grace gaming houses in Regency London. What tonnish family would not be shocked to discover that its scion is in thrall to such a one? Max is mad and determined to rescue his nephew from Deborah's clutches, but soon discovers that he wants only to replace his nephew in her heart. "Faro's Daughter" is the quintessential Regency novel, one of Heyer's very best. The scene where (almost) all is revealed never fails to make me cry, and when, at last, all ends happily, I always give a satisfied sigh. Deb's aunt is a foolish delight, and for the mawkishly sentimental, there is a happy pair of young lovers as well. A true delight

Von eatheklaTolle Unterhaltung mit allem Drum und Dran. Mit Romantik, mit Spannung und natrlich "Happy End". Ich mag die Art wie G. Heyer die Charaktere und Umstnde beschreibt; man kann sich leicht in die Zeit hineinversetzen.

Kurzbeschreibung Sparkling characterisation, inventive plot - Georgette Heyer is queen of the genre...Renowned gamester and the first to admit that he is entirely void of a romantic disposition, Max Ravenscar regards all eligible females with indifference and unconcern. But when he meets the woman his young cousin Adrian is bent on marrying - the beautiful Deborah Grantham, mistress of her aunt's gaming house - he finds that none of his experience in risk and gambling has prepared him for such a worthy opponent.

Pressestimmen "Besides time and place similarities, the writing style and dialogue between characters are pleasantly Austen-esque. There were enough differences, however, to make Faro's Daughter fresh and surprising. " - Literarily "As always, Heyer gives us well-developed characters, witty dialogue, rivalry between gentlemen, and plenty of (restrained given the era) passion between her leads. " - BookLoons "All in all, there's a reason why the well-plotted, character-driven, energetic Faro's Daughter is considered one of Heyer's best. " - A Book Blogger's Diary "I recommend this book to any reader, of any age that likes a nice, sweet story of the heart." - Passages to the Past "I'm learning I that if I want an amusing light romance to pass some time this winter, Georgette Heyer will be one of the first that I reach for." - Books N' Border Collies "[Heyer's] prose reminds me a lot of Jane Austen, but she was a much more prolific writer, so fortunately, she has a wide assortment of novels to choose from." - S. Krishna's Books "With its charming characters and attention to detail, Faro's Daughter is a wonderful tale." - Jennifer's Random Musings "Georgette Heyer's Faro's Daughter is yet another wonderful romp through Regency England. " - A Work in Progress "Even the worst Heyer is so much better than many romances on the market these days, and this is one of her best." - All About Romance

Werbetext 'Georgette Heyer is unbeatable.' Sunday Telegraph. A beautifully repackaged edition of one of the best of the best.
