In the second book of the series, Astrid meets her uncle, the devil, her grandparents and her cousins the seven deadly sins. I loved the story, all the new characters turning up, Astrid

swearing her way through the story, trying to get back to Ethan. A fun read!1 von 2 Kunden fanden die folgende Rezension hilfreich. Hilariously funny! Von Filerimos The Fashionable Dead Series is a comedy read and it's absolute impossible not to laugh. I recommend this series to all fantasy readers who love to LOL during reading. So far there has been released: #1 Fashionably Dead #2 Fashionably Dead Down Under #3 Hell on Heels #4 Fashionably Dead in Diapers

Kurzbeschreibung Welcome to Hell. Literally. The Hell where the Prince of Darkness is hotter than Hades, Hell Hounds smell like brownies and the Seven Deadly Sins are addicted to Facebook. Not to mention the soundtrack in the Underworld is Journey. For real. I should have known no good could come from offing my parents in the space of twenty minutes no matter how psychotic and evil they were. Now I find out my family tree includes almost every deity and mythological being alive while Ethan, the one and only love of my undead life has a limited time down under before he turns to dust. In the land of Sin, you'd think I'd get some nookie time with my man, but no. Baby Demons, cousins and grandparents put the kibosh on that. Blue balls are the new normal. What the hell does a half-Vampyre Half-Demon have to do to catch a break? Apparently find a freakin sword, calm Mother Nature's unmedicated mood swings and make sure Mister Rogers keeps his sticky fingers to himself during weekly poker with the Devil. And I have three days to do it. By all that's unholy, I thought Ethan's Vampyre family was crazy. Trust me, they have nothing on the Demons. ***** Uproariously witty, deliciously provocative, and just plain fun! No one delivers side-splitting humor and mouth-watering sensuality like Robyn Peterman. This is entertainment at its absolute finest! ~ Darynda Jones, NY Times Bestselling Author of the Charley Davidson Series

ber den Autor und weitere Mitwirkende Robyn Peterman writes because the people inside her head won't leave her alone until she gives them life on paper. Her addictions include laughing really hard with friends, shoes (the expensive kind), Target, Coke Zero Cherry with extra ice in a styrofoam cup, bejeweled reading glasses, her kids, her super-hot hubby and collecting stray animals. A former professional actress, with Broadway, film and T.V. credits, she now lives in the south with her family and too many animals to count. Writing gives her peace and makes her whole, plus having a job where you can work in your underpants works really well for her. You can leave Robyn a message via the Contact Page and she'll get back to you as soon as her bizarre life permits! She loves to hear from her fans!
