Einfach nur klasseVon heleyAlso ich habe ja bis hier hin die "The Grey Wolves Series" gelesen und bin einfach nur begeistert.Diese e-Book Reihe ist wirklich ein MUSS fr jeden Fantasy Liebhaber ,vor allen Dingen ist das nicht so ein

Mist , der sich mit Twilight berschneidet und fast genauso ist.Eine eigenständige Buchserie , die mit Romantik , Comedy , Horror (etwas) und mit jeder Menge Überraschungen dienen kann.Ich kanns nur empfehlen!

Kurzbeschreibung Readers in 40 countries voted for the UtopYA 2013 awards! The Grey Wolves Series was voted winner of Best Supernatural Series of the Year! This series is full of hot alpha males and a group of crazy lol funny female BFF's. Seriously people think Chealsa Handler meets Tina Fey, that's how hard I've laughed at times in this series. Fate and fury is book 6!!! If you haven't even read book one STOP reading this now, and go to your nearest kindle/nook site to get started. ~Wine Relaxation and MY Kindle FOR THE LOVE OF ALL THINGS BOOKS!!!! Blog Though her world is crashing down around her, Sally holds out hope. The Great Luna is not sitting idly by. She has commanded the Fey council to call upon the packs all of them. And though Cypher looks for a way to open the Veil for Desdemona, he struggles to protect Lilly and the wolves at the same time. Peri, the ever-courageous High Fae, and a contingent of the remaining females of the Romanian and Serbian packs, push on through the rough Carpathian Mountains. Though they are bound to the human realm, they continue to search for a way to cross over to the land of the Fey. Meanwhile, in reluctant obedience to the Great Luna, the Fey council sends representatives to the far corners of the globe, meeting with the pack Alphas. The Fey must convince the Alphas of every pack to lay aside their petty territorial squabbles and battles of dominance. If they refuse, both the humans and the supernatural races will fall at Mona's feet. Sally holds to a shred of hope. Though Vasile, Decebel, and their pack mates endure the torture of the In-Between, living their worst nightmares over and over, Sally holds. Though she knows that it is only a matter of time before their wolves take over, she holds. Sally knows that if the males die, then so too will their mates who have performed the Blood Rites, including her best friends Jen and Jacque. Yet she holds. If the males lose themselves to their wolves and turn feral, so too do their mates. Still she holds. Though Vasile, the strongest Alpha in their history to unite the wolves, is lost beyond the Veil, Sally holds. Though Decebel, the only other wolf besides Vaile strong enough to unite the packs, suffers beyond the Veil, Sally will hold. No one is left to unite their race, and defeat Desdemona. Yet Sally still holds. She holds out hope that the Great Luna will not abandon them, cannot abandon them. Throughout the centuries, the Great Luna has always provided a gypsy healer to the packs, especially in times of great need. Now Sally is that healer. Sally fears what role she has to play in the defeat of Desdemona, but she will play it. Though heaven and hell unite against her, she WILL play it. For too long the supernatural races have lived in separation, warring amongst themselves, allowing trivial power plays and selfish disputes to keep them from uniting. That separation has made them weak. Now, being summoned as a collective force to the same land, will they come? Will they come in numbers greater than have been seen in centuries? Will they destroy each other and save Mona the trouble, or will they finally unite and fight as one?
