Ainsley and Erik's StoryVon Ingrid Stephanie JordanTitle : Fate Of The Alpha BundleAuthor : Tasha BlackReviewed by : Stephanie Jordan Episode 1Ms. Black continued on from the last book of "Curse of the Alpha" had left off. This book was just like her other books you just can't put it down. I have read many books that I love the author, but it becoming that Tasha Black will be one of my Top Ten Authors.Ainsley Conner became Alpha to her father's pack in Tarker's Hollow. She has come a long way, not only to learn to be a good Alpha but also a Witch. Erik Jensen her Mate is teaching her how all the smells relate to someone or something. It was very hard but gratifying work plus she love running as her wolf. This wasn't all she is learning though , she was trying to learn magic from Julian Magie but it seemed to be harder than being an Alpha. One day as Erik and Ainsley were checking out there territory yellow leaves began to circle Ainsley it turned into black smoke circling around and around her body and than it became a big snake. Ainsley was mesmerized by this that all she could do was stare and than this big black wolf jumped at her and pushed her down laying on top of her to protect her. But Erik was bite and lay unconscious. Yes, this is my cliffhanger but you'll have another one at the end of this book..Episode 2I have decided that Tasha Black is a very gifted writer. She's has you hooked by the second page and honey your not going anywhere until you finish this book. All the twists and turn make it so excitingMs. Black started Episode 2 right where Episode 1 stopped.Ainsley Conner the new Alpha and a new wolf is slowly but surely getting her feet on the ground and growing into her skin.Julian is teaching Ainsley what she needs to yield her magic. And Ainsley is powerful.Grace and Julian are both fighting each other attractions, the more they fight themselves you can see they will come together I hope. Yes , everything is starting to come together but Erik who is far away at another Pack. Every night Erik asks the moon to give him back his wolf so he can protect Ainsley ,he misses. her so much. Every night Ainsley wishes her mate would come back to her. Ainsley knows evil is coming when and how is a different matter.Episode 3Five Stars that's all I'm allowed to give this Episode 3, so not fair do they give stars for series well I would give Ms. Black 300 stars. That right each Episode gets a 100 stars so the series gets 300. To bad it doesn't work that way because this is a Great Series. Episode 3 being the final it was so good, but I'm heart broken I want more.Ainsley Conner is Alpha of theTarker's Hollow Pack in the town ofTarker's Hollow finally able to maneuver her wolf and practicing magic secretly because the Federation would take away her as Alpha because wolves do not like witch magic. I feel that wasn't bad enough she missed Erik with heart and soul and scared she was never seeing him again.Erik Jensen has been torn away because of Pack Politics they sent him away from his Love of his Life and his Pack. Little did the Federation know and was even kept a secret from the Pack but Erik lost his wolf.A lot of things do not add up in this other Pack and Erik had to find out why and not be killed while figuring out what's happening. Mean while he misses his Ainsley everyday he thinks of her luscious breasts, beautiful hair. No he can't do this to himself he needs to think about business first. Will Erik's be injured because his wolf is gone? Will Erik's wolf come back? I was gifted this ARC for an honest and truthful review.
