Von Radclyffe : Fated Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fated Love (English Edition):

one) - a masterful romance with very believable characters (one of them a cute girl) and it doesn't hurt that Radclyffe does know her stuff around a hospital! If you like your romances hot, your characters warm hot, this is a wonderful book meant to be savoured with a good glass of wine. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Love Fated Love Von high art I am incredibly sad to have finished this book and to not be able to spend more time with Honor, Quinn, Arly, Phyllis, Linda and Robin. And this can only mean that this book managed to captivate me completely. It has everything and more I expect a romance to have. Having read other books by Radclyffe already, it didn't catch me by surprise that I loved this one, too...but I was surprised how deep the story entwined with my own emotions. I am pretty sure you will love this story, too...it's fate. 1 von 1 Kunden fanden die folgende Rezension hilfreich. That's so cute Von Sophie I recommend this book to anyone who enjoys descriptive romantic literature. At times I thought the characters weren't going anywhere with their relationship, there was always this constant sexual tension. However that does change-it's very realistically written and has a great ending. At times it was hard to put down.

Kurzbeschreibung What do you do when your carefully planned life takes a wrong turn into hell? When Quinn Maguire, a dashing young trauma surgeon, unaccountably accepts a position as an ER physician, her new boss, Honor Blake, suspects that Quinn is hiding a dark secret. While the two declare an uneasy truce in an effort to work together, both struggle with mutual, and unexpected, attraction. Honor, however, has more than one reason to resist her growing feelings for the attractive newcomer-not the least of which is that her heart belongs to the woman whose wedding ring she wears. Amidst the chaos and drama of a busy emergency room, Quinn and Honor must contend not only with the fragile nature of life, but also with the mysteries of the heart and the irresistible forces of fate.
