KurzbeschreibungKEENANIts been four years since I ran awayfrom home, my brother, and my maybe father. I created a life free of expectations while pretending I wasnt being hunted by all of the above. I managed to stay under the radar all this time or so I thought. When big brother shows up and saves my ass, Im forced to face everything I left behind, including her.SHELDONIts been four years since I became another statistic. I made a lot of mistakes when it came to Keenan Masters. The first was loving him at all. He took something from me the night he left, and when I told him I still loved him, he told me hed always hate me. After that, I learned how to be okay until he came back. Gone was the boy who always knew how to make me laugh, and in his place was a cold, arrogant monster.KurzbeschreibungKEENANIts been four years since I ran awayfrom home, my brother, and my maybe father. She would sneak into her mothers closet for books and even sometimes the attic. It soon became a hobby, and later an addiction. When she finally de-cided to pick up a metaphorical pen and start writing, she found a new way to embrace her passion. She favors a romance that isnt always easy on the eyes or heart, and loves to see characters growcharacters who are seemingly doomed from the start but find love anyway. Fear Me, her debut novel, is the first of many.
