Bodygard mal andersVon uli ulrichEin gut lesbarer Roman , gute Unterhaltung, ein kleiner Konflikt, ein paar Schse natrlich, da Bodygard involviert.Typisch amerikanisch, da sowieso alle Menschen demokratisch gleich sind, eventuell Amerikaner sind etwas gleicher, was wiederum erheiternd ist.Dies war der zweite Roman dieser Serie, den ich gelesen

habe, und er hat mich noch nicht gelangweilt. Die handelnden Personen sind alle aus einem Freundeskreis, was ein zusätzlicher "Wohlfühlfaktor" ist. Gute Urlaubslektüre! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Best of the series!! Von Maike Neumann just finished and LOVED it! was totally different to what I expected (expected a love story but turned out to be an even better love story in an exiting thriller-like Story!) good to read even if your not a native speaker (or reader for the matter of fact). has become one of my most favorite reads!!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Suspense and high drama Von Ami in Germany I have enjoyed reading all of the Weekday Brides books thus far, but this one really nailed it. In addition to the recurring cast of delightful characters from the preceding stories, this one brings in the surviving members of a military action that went wrong long ago, trauma-damaged and on a new mission. What happened then? What will happen now? Catherine Bybee weaves a compelling tale of romance amidst suspenseful obstacles. Love her strong women and the men who learn to love them without either side losing out - really wanna see real life imitate this scenario! Thanks, Catherine, for another great read!
