He's just been signed with the SBC - the biggest Mixed Martial Arts company!But he's not really happy. He doesn't like to

be in the spotlight and doing stupid promo and interviews.... and being a great fighter for a huge company...that's what he has to do. Also part of his unhappiness is Merissa. The sister of his best buddy Cannon. He's in love with her, but he thinks he's not good enough. With his past and his job and his parental examples... But Merissa doesn't care about his stupid ideas. She's loved him ever since she was a teenager. And even her brother doesn't have anything against them as a couple... Time to convince that idiot Armie that they belong together! But of course Armie's past doesn't stay in the past.... And Merissa's ex doesn't want to stay ex anymore.... What will happen to Armie Merissa??? Will there be a Happy Ever After for them??? Or will there be a horrible Cliffhanger??? I'm not telling you that of course
