ConfusingVon AgnieszkaI'm not even sure how to describe this one. The story is not really great or at least doesn't make sense to me. I was just happy the entire story was so short so I didn't give up after two chapters. Go some people

it may be normal to feel stimulated when you argue with someone for me it's such an unthinkable concept it was a real issue and an obstacle to understand the relationship Taric and Jalaya developed. The language seemed somewhat dated so I struggled there too. If it wasn't for the great character of princess Jalaya and the very realistic ending I'm not sure if I could give this book more than one star. Due to the content I don't recommend this book for readers looking for romance, it's rather something for friends of erotica.

Kurzbeschreibung Jalayla couldnt believe the arrogance of the man! To actually order her around? How rude! But beneath the surface of her anger towards the handsome prince, there was a simmering heat, an uninvited fascination with the man that she couldnt seem to fight. Every time he touched her, every time he even looked at her, she felt that strange sensation. Tasir wanted to fire her at first sight. She argued with him about everything and challenged him in ways that no other woman dared. So why did he want to pick the woman up and make love to her? Initially, he didnt know that the lovely woman with fiery eyes and a sensuous figure was the one and only Princess Jalayla. And was determined that he would have her for his own. So whats a man to do when he finds out that the woman of his dreams is promised to marry another man? Kurzbeschreibung Jalayla couldnt believe the arrogance of the man! To actually order her around?
