This is why I bought this book without any hesitation.Be aware that this is a series of 4 books about 3 brothers... do the math... the first and second book are connected and have to be read together, especially if you don't want to remain with a cliffhanger.- Filthy beautiful lies- Filthy beautiful

love- Filthy beautiful lust- Filthy beautiful forever.Let's start with filthy beautiful lies...I loved the plot. Sarah is the heroine. She is sweet but desperate. Her twin sister has cancer and only a 300 000 medical experimentation program could eventually help her. But they dont have that money. So when she tries to find a job someone tells her how she could make a lot of money She could let herself being sold as a sex slave for 6 month. Being a virgin her value might only get higher!Desperate she accepts and ends up sold for a million in Colton Drakes house.Now this is a very nice plot in my opinion and Mrs. Ryan has executed very nicely.This is not a BDSM romance, neither a real erotic story. There are some erotic scenes but it is not the main focus of the story (in my opinion at least).The characters are nicely depicted, the story evolves I a good rhythm.BUT I was very disappointed by the fact that there were 2 books. In my opinion the second one was not really necessary as it seemed to long and too rushed in the same time to be necessary. This was my main regret. Also the plot could have been exploited a bit more. I did not always understand the worries Sophie had with her relationship.I have to say that the second book brought many important elements but I simply couldn't feel anything. It was just too long in the end.Anyhow it was an overall nice read. I dont know if I will read the next one in the series however.Enjoy the read MBTMO von 0 Kunden fanden die folgende Rezension hilfreich. wow againVon avid romance readerThis book is number two. Don't even dare to pick it up without having read the first one "filthy beautiful lies". The first book finished with a cliffhanger and the second one picks up right where the first one left us.Sophie left Colten and took her twin sister to Italy for some girl time. Colten is determined to get Sophie back and follows her to Italy. I love Colten, he is an alpha male all the way! Sexy, successful, hard and controlled, yet not afraid to show his feelings and do everything it takes to make Sophie his. Wow, what a beautiful love story!
