Disappointing second book in the seriesVon readerThis book was so bad. So much unnecessary drama, immature characters, a horrible relationship, and whats with the hashtags?The storyline was the same as in hundreds of books here set in college: there was a boy, super hot, his mother was a witch, he was a millionaire, he had a (twin) sister,

whose story we know from the first book, there is a gay best friend and another hot guy, lots of one night stands and a dying parent. The main characters: Jax, there is nothing really charming about Jax. He causes the accident that prevents Dani to go see her mother, learns that she is dying and instead of trying to get her any form of transportation to Chicago (he is heir to billions, shouldn't he have access to a private plane?), he is upset and storms off. Dani is a selfish girl. Her mother is dying but all she thinks about is having sex/not having sex with Jax. Then her mother dies, she's sad for a minute, Jax arrives and she forgets about her dead mother, again. I did not quite get the epilogue. Why is a pro soccer player short of money? They get a salary, so he should be able to buy tickets for a game. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Looooooved the second book even more Von PerfectlyImperfect After reading "Dearest Clementine" I immediately bought Dani and Jax's story and loved it even more. Dani is such a strong character and she matured in such a great way throughout the whole story. She stands up for what she wants and fights for it - Jax struggled with his own demons. I enjoyed their journey immensely and am really happy that I stumbled upon this series! You're going to fall in love with the story and the characters!

Kurzbeschreibung When soccer all-star Jax Avery collides with Dani Hart on his twenty-first birthday, their connection is instantaneous and explosive. For the first time in years, Jax isn't interested in his usual hit-it and quit-it approach. But Dani knows better. Allowing herself a night to be carefree and feel the intensity of their attraction won't change anything when it comes to dealing with a player. So when Jax doesn't recognize Dani the next time he sees her, it shouldn't be a total shock. The fact that he's her new roommate's brother? That's a shock. Dani doesn't regret that night with Jax, just the need to lie about it. Since her roommate has made it clear what she thinks about her brother's type of girl, the last thing Dani wants is to admit what happened. Jax knows he's walking a fine line on the soccer team. One more misstep and he's off the roster, his plans to go pro be damned. Except he can't seem to care. About anything except for the one girl who keeps invading his dreams. Despite Jax's fuzzy memory of his hot hookup with his sister's friend, he can't stay away from her, even if that means breaking his own rules. But there are bigger forces at work, realities that can end Dani's college career and lies that can tear them apart. Jax realizes what he's losing if Dani walks away, but will he sacrifice his future to be with her? And will she let him if he does? **New Adult Contemporary Romance Series - Recommended for readers 18+ due to mature content** ORDER OF BOOKS (Each can be read as a standalone): Dearest Clementine, #1 Finding Dandelion, #2 Kissing Madeline, #3 SHAMELESS, a Dearest Series spinoff, will be available on April 26! **Pressestimmen** FINDING DANDELION is an emotional journey of a young woman realizing she's her own north star and a young man finding he's worth more than his bank account. Together, they are dynamite. A must read for New Adult fans! - Megan Erickson, author of MAKE IT COUNT A freaking fantastic follow up to DEAREST CLEMENTINE! FINDING DANDELION has it all. Mind-blowing chemistry, laugh-out-loud humor, heartbreak, and healing. - Lia Riley, author of UPSIDE DOWN **Kurzbeschreibung** When soccer all-star Jax Avery collides with Dani Hart on his twenty-first birthday, their connection is instantaneous and explosive.
