Von Jill Sanders : Finding Pride (Pride Series Romance Novels Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Pride (Pride Series Romance Novels Book 1) (English Edition):

soppy. However, I only gave 3 stars because of the appalling editing. Grammar errors, commas all over the place (but not where they belong), missing words, additional words that don't belong, spelling errors. I have to agree with another reviewer who said "Is this a first draft?". Luckily I downloaded this book for free. Another reviewer said "explicit sex scenes" but that is not the case at all! If you like a good story I can definitely recommend this book. You need to be able to overlook the horrible editing, though.

Ich muss auch sagen, dass mich einige der Schicksale durchaus auch zu einigen Trnchen gebracht haben. Ich wuerde mir wuenschen, dass es mehr solche Familien mit diesem Zusammenhalt wie in diesem Buch dargestellt, geben wuerde. Dies laesst durchaus hoffen und die Welt in einem waermeren Licht leuchten. Spannung ist in diesem Buch natrlich auch mit vertreten, wie auch alles, was die emotionale Palette so zu liefern hat. Ich kann es jeden nur waermstens empfehlen.

Now she can finally start a new life and figure out just who she really is. When her brother Matt dies suddenly, she takes a big risk and moves cross country to live in his house and take over his new business. This could be the chance shes needed. Theres only one problem now. She cant seem to escape the irresistible charm of her departed brothers best friend. Todd Jordan just lost his best friend and business partner. Watching Matts sister move into town, his attraction to her is instant. Can he prove to her that all men are not the same, and resist his own desires as she learns to trust again? Overcoming the odds is just part of their journey. The two must first survive a fateful visit from Megans ex to have any chance at happiness. "A very enjoyable read. A good plot and narration style, very well developped strong (and quirky...) characters and the storyline make this a book you will find hard to put down. Seeing Megan's development and her struggle to build a new life, her interactions with the Jordan siblings and the townspeople will make you feel compassionate, angry, and sometimes smiling. Definitely a recommendation from me.
