**Von Ella Frank : Finley (Sunset Cove Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finley (Sunset Cove Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. ...an amazingly beautiful erotic second chance romance!Von Bianca @BJsBBSeven years ago 23-year-old Finn left Florida and the love of his young life: Brantley.But not really of his own free will. His professor aka the love of his young life Brantley, told him to leave, to go to Chicago and become the best lawyer he can be. He only wanted what's best for

him. And he left. Even though it was not Brantley's decision to make... he left...and never came back. But now he's being called back.... with this one little note Brantley dares to call him back home.....for what?? A second chance at a happily ever after? Hasn't too much time gone by for that? Finn is not the young and happy surfer boy anymore. He's grown up a lot. He's a respected lawyer in the big city now. But Brantley misses him - he always hoped that there would be a future for them...he's not getting any younger. He's almost 40 now and he finally wants to settle down with the one who got away - even if he was the one who sent him away....But even though Finn comes back home - he's only going to stay for two weeks. To get Brantley out of his system once and for all...But of course he didn't count on all those damn feelings.....WHAT WILL HAPPEN TO Finn Brantley???WILL there be A HEA???WILL THERE BE A HORRIBLE CLIFFHANGER?.....another Ella Frank m/m romance?YES!!! I loved Logan Tate sooo much. I had to do a little re-read on the Temptation series to find Finley, even though he wasn't all that important ;) I just LOVED Finn Brantley from the very beginning of the book....Finn, the hot ex-surfing beach boy lawyer from Chicago.....and the sexy, older, hottie Professor Brantley...I'm usually not a huge fan of the teacher-student romance. And Finn is 9 years younger than his Professor...BUT, even though we get lots of back-in-time scenes, this story is of course set in the present, and Finn is already 30, so it's not anywhere close to being illegal or anything. Not that there was anything illegal between them 11 years ago! We have sooo many adorable scenes in this book. And funny scenes and romantic scenes, very sexy/erotic scenes....I absolutely LOVED Finn Brantley's story! Can't wait for more..... Jordan maybe?? A few tiny little PERSONAL things that bothered me a bit...First - I hate Florida :/ Reading Florida romances always makes me hot - and not in a good way - just thinking or reading about Florida has me all sweaty and humid and ugh - nope! Second...and again, a very personal problem, because I'm just too easily confused. Maybe it's because both Finley and Brantley are guys and also because Finn goes by Finn Daniel - but whenever the words HE, HIS, HIM were mentioned, I was sooo confused as to who it was they were talking about :/ It should be totally clear because you should know who is talking at that moment, but I was just totally confused by all those HIS HIM's Third - the cover - while I kinda love it - it's a bit too darkish for a Florida romance - it looks a bit more like a vampire sports romance thingy BUT - the story was absolutely adorable!!! FINLEY was an amazingly beautiful and sunny second chance romance! READ. IT. NOW. You'll so fall in love with Finn Brantley - and of course with the mom and the muscle guy and Posh Spice Jordan, too 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ella Frank does it again...m/m at it's best! Von Cassandra5+++++++ swooning stars!!!! Ella Frank does it again...m/m at it's best! Finn and Brantley have a past. Can they find their way back together after they teary and heartbreaking end seven years ago? Seven years in which both have changed, grown and work their asses off to make a great career. But no matter how successful they are and love their lives...something important is missing to be truly happy. It's time to come home, Finn. One letter with six words...and Finn's entire world is spinning out of control. Should he? Can he? Does he want to? The hurt still sits deep. There's a huge wall around his heart. He wanted to get down and dirty with a couple once, but has been refused. Something that still stunk as well. A couple you know when you always read Ella Frank. A couple that will make you squeal at the end of the book as well. And there's a reason for his draw to that lawyer. Brantley can't forget the one love of his life. The one that was forbidden...or so he believes. He doesn't regret it and he doesn't regret that his decision had a deep impact on both of their lives. It was for the best, wasn't it? Although he tries to guard his heart, he can't stop it. Feelings are rolling in like the waves of the ocean and nothing can stop them. Ella Frank has once again given us two men. Two men that have once been together and then apart. And now it's time to come home. Dealing with whatever is obviously still between them. Get it out of their systems and finally move on. Yeah, right! As that ever works. It should be two weeks to get a grip. Well, it's a nice fantasy and yet real life gets in their way once again. I love the little flashbacks to their first time. They are perfectly placed throughout the story as it continues. It's flawless and so easy to fall into the story, thanks to Ella Frank's amazing writing and the way she creates characters and stories. And also her secondary characters are fun and add to the story perfectly. They also make you excited and curious for the next book in the series. One character that should be mentioned beside the others...Finn's mum! OMG, she is gorgeous and lovely and you just want to hug her. The story is lovely, beautiful, heartbreaking, funny and in true Ella Frank style sexy and spiced with off the charts chemistry. It's not as dirty and explicit as her Temptation series, but it will still make you squirm and sweat and hot. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Alte Liebe, neues Glck Von Selis Das erste Mal verliebte sich Daniel Finley, genannt Finn, in seinen Professor, Brantley Hayes, als er gerade einmal neunzehn Jahre alt war. Der neun Jahre ltere Mann wies ihn zwar immer wieder zurck, aber Finn lie nicht locker, bis er mit seinem Professor zusammengekommen war. Dieser allerdings wollte ihm eine bessere Zukunft ermoglichen und meldete ihn, ohne sein Wissen, an der Universitt in Chicago an, wo Finn sein Studium machen und dann idealerweise nach Hause zurckkehren sollte. Finn jedoch hat das so verstanden, dass Brantley ihn loswerden wollte und macht sich geknickt und enttuscht davon. Dieser rger hat sich auch noch sieben Jahre spter nicht gelegt, als er einen Brief von Brantley erhlt, der ihn auffordert, nach Hause zu kommen. Eigentlich hat Finn nur vor, den anderen Mann, den er all die Jahre nicht vergessen konnte, es irgendwie heimzuzahlen um abschlieen und sein Leben normal weiterleben zu knnen. Stattdessen vermischen sich alte und neue Gefhle bei ihrem erneuten Aufeinandertreffen, bis keiner mehr sein Herz aus der Sache heraushalten kann. Fr Finn ist klar, er will nur seine zwei Urlaubswochen in Californien verbringen, sein

Leben findet an einem anderen Ort statt. Und Brantley kann seinen Posten nicht so einfach verlassen. Es sieht aus, als ob die beiden keine Zukunft zusammen haben könnten, selbst wenn sie die Wunden, die sie sich gegenseitig zugefügt haben, ignorieren und vergessen könnten. Die Idee ist nichts Neues, aber die Erzählweise ist gut. Flashbacks aus der Vergangenheit wechseln sich mit Szenen aus der Jetzt-Zeit ab, was eine ziemlich interessante Herangehensweise ist. Man lernt beide Charaktere sehr gut kennen und auch wenn Finns Zorn ihn am Anfang sehr unsympathisch macht, versteht man am Ende, wie aus dem fröhlichen Surfer der bestimmende, dominante Mann werden konnte, der auch in der Beziehung zu Brantley die Zügel in der Hand hält. Am Ende habe ich richtig mit den beiden mitgefiebert und ihnen ihr HEA gegönnt, auch wenn die Lösung natürlich mal wieder viel zu glatt und perfekt ausgefallen ist. Aber dafür sind solche Bücher ja schließlich da, sie sollen uns Leser trösten lassen. Und das ist Ella Frank mit diesem Buch sehr gut gelungen, wie ich finde.

**Kurzbeschreibung**It's time to come home, Finn.Its been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicagos city life.Since then, hes worked hard for his position at the prestigious law firm Leighton Associates, even when its caused distance and isolation from his family and friends. But thats all about to change.On his thirtieth birthday, he receives the one thing he never dared hope for. Something that was promised to him years earlier a note. One simple sentence from the man hes never been able to forget.Six words will forever change the course of their lives.Brantley Hayes has it all. Or so he thinks. When he first made the decision to take a job down in Florida, his family thought he was crazy. But, after years of living in the quiet beach town, he finally feels a sense of community. Hes surrounded himself with friends who are like family, has a job he loves, and owns a spectacular beachfront property that is his sanctuary.Yet he still feels unfulfilled, as if a piece of the puzzle is missing, and he knows exactly which piece it is. On an impulse, he follows through with a promise he made years earlier. A promise to call home the one he sent away.Nothing is as simple as it seems.After years of separation, the former lovers are reunited, but Brantley wasnt expecting to encounter the high walls now guarding Daniels heart. Daniel may not be the same person he was when he left, but he knows that the first step to healing is the note in his hand.**Kurzbeschreibung**It's time to come home, Finn.Its been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicagos city life.Since then, hes worked hard for his position at the prestigious law firm Leighton Associates, even when its caused distance and isolation from his family and friends.
