Von shruck Leider verspricht das Buch mehr, als man später feststellt. Die Story beginnt sehr langweilig und wird auch sehr langweilig fortgesetzt. Es gibt kaum spannende Momente und die Autorin verfringt sich in zu detaillierte Beschreibungen. Fazit: Definitiv keine schöne Ferienlektüre aber wenn man Probleme beim Einschlafen hat, sehr hilfreich!

Kurzbeschreibung
New York. London. Milan. Paris. Fashion week in all four cities. A month of endless interviews, parties, unflagging work and attention to detail. At the centre of the storm is Timmie O'Neill, who has created an international empire that inspires, fills, and consumes her life. Yet as blessed as Timmie feels by her success, she harbours the private wounds of a devastating childhood and past tragedy. Always willing to take risks in business, she never risks her heart until an intriguing Frenchman comes into her life during Paris Fashion Week. There is every reason why they must remain apart. But neither can deny their growing friendship and the electricity that sparks whenever they meet. Are they brave enough to face what comes next?
