Von Jaymin Eve : First World (A Walker Saga Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised First World (A Walker Saga Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Spannend, lustig, traurig... ALLES, was eine Saga enthalten muss! Von Lesewanderer Eine wunderbare Saga - mit viel Herz, Humor und trotzdem spannend! ber den Inhalt will ich mich nicht gro auslassen, der "Klappentext" ist

ungewöhnlich zutreffend ;-)) Was mir besonders gefällt, ist die Reichhaltigkeit der Geschichte. Wunderbare Charaktere, die langsam eingeführt werden. Eine schöne Sprache zu einer Story, die sehr fesselnd ist. Das Fantasy-Setting ist ungewöhnlich, keine Wiederholung von zig-mal Dagewesenem. Und obwohl die Hauptperson sehr jung (anfangs 17) ist, sind die Teenager-Probleme nicht dominant, auch wenn im ersten Band die Geschichte ausschließlich aus Abby's Sicht erzählt wird. (Später wechselt die Perspektive ab und zu). Die Saga gehört definitiv zu meinen Lieblingsgeschichten. Absolute Empfehlung! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Review Von Kathy M. I am totally impressed with this book. A great read for young adults who are fans of fantasy. It has all the facets of a great book. Fantasy, intrigue, action, romance and family. Beautiful. 4 von 4 Kunden fanden die folgende Rezension hilfreich. fantastic! Von Elodie Colt The author really created a fantastic story. It's not just about some supernaturals who do have certain abilities just because it is that way - I love the story with First World and the reason why Earth is like it is "now". I don't want to spoiler too much so just read it! The only thing I really hate: Why do all authors have to include chapters of the following book on the end? My reading process was 91% and I assumed that I had nearly a 10th of the book left, and suddenly that was the end and the first two chapters of the following book are showed. A little teaser would be enough! I was going to buy the second book anyway, so now I have the first two chapters in two books, that's really not necessary...

Kurzbeschreibung~ The seven book bestselling series is now complete. Start the saga today! Seven half-Walker girls. Seven worlds. One chance to save them all! Abigail Swish's life is nothing to brag about: gang-ridden city, orphanage style accommodations, and a matron who's kinda on the evil side. Not that she has to worry about that for much longer. She'll turn 18 soon, and then it's goodbye compound, hello dangerous streets of New York City. Of course, as her luck would have it, she doesn't make it to 18 before her world is turned upside down. One ambushed meeting with an accent-bearing, sword-wielding stranger, and suddenly her entire life as she knows it is a lie. Apparently she was just stashed on Earth for safekeeping and has been lost to her family ever since. And it's time to return home. To First World; a land of unimaginable beauty. Of course, one should never forget how the old tale goes: beauty often hides the darkest secrets.
