dich selbst, dann können die anderen dich gern haben. Von Keksisbaby Nach Flat-out-Love und Flat-out Matt ist es hier Celeste, der der Leser folgt. Aus der Zwölfjährigen, die eine Pappfigur ihres toten Bruders brauchte, um dessen Verlust zu bewenden, ist eine hübsche, junge Dame geworden. Und wegen ihrem Köpfchen und ihrer eloquenten Ausdrucksweise ist es schwer für sie Freunde zu finden. Es war schnell ihre Entwicklung vom einsamen jungen Mädchen zur selbstbewussten, kämpferischen Frau zu erleben. Wie Justin ihr immer wieder Mut macht, ihre Schlachten zu schlagen und die Kriege zu gewinnen. Er macht ihr auch klar, dass jeder auf seine Weise einzigartig ist. Celeste lässt sich nur nicht so leicht berzeugen. Das glaube ich auch, wollte die Autorin als Botschaft an den Leser transportieren. Sei du selbst, andere gibt es schon genug, auch wenn du in keine der vorgefertigten Schemen passt. Witzig waren ihre hilflosen Versuche sich ein neues Image zuzulegen und ich habe auch ein bisschen mit ihr gelitten. Traurig war für mich zu erfahren, dass Matt und Julie kein Paar mehr sind. Es gibt jedoch Hoffnung, denn noch scheinen beide Gefühle freinander zu hegen. Bloß gut, dass Celeste alles daran setzt die beiden wieder zusammenzubringen. Zu guter Letzt wurde ich durch ein Happy End belohnt, dass sich sehen lassen konnte. Ich bin gern zu Matt, Julie und Celeste zurückgekehrt. Insbesondere weil ich Celeste schon nach dem ersten Teil in mein Herz geschlossen habe und ihre wunderbare Art sich auszudrücken sie nur noch liebenswerter macht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A fantastic novel in a fantastic series Von Shadowlauch I was a bit worried when I read, that Matt and Julie aren't together anymore at the start. I was worried it would take away from the focus on Celeste and it might become another book about Julia and Matt. I was glad, that I was wrong, it was not a book about Matt and Julie and neither did the parts with/about them distract from the main character in this novel. And what a main character that is! Just beautiful in every way. I found Celeste's character very interesting in the first book, she was very unique and did not fit into any of the normal clichés you often find in YA literature. It was very refreshing. In this book she is even more interesting, as she deals with various things and her attempts to fit in are just adorable. Her journey to find herself and her place in this world was one of the best stories I have read in a long time. The pacing in this book was just perfect, it never overwhelmed you and it never bored you. As for the whole series, it was a great pleasure reading them. I'm also very glad that I could read them back to back. As for the first book I tried hard finding something that bothered me and I couldn't. I can safely recommend this book to everyone, who read the first book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A whole new level of genius Von Leseleidenschaft Wow ... just wow. I already loved "Flat Out Love" and "Flat Out Matt" ... but now I finished "Flat Out Celeste" and I think that book reaches a whole new level of genius! We get a deeper insight into Celeste and a glimpse of what might be "wrong" with her. But we also learn that everybody - even those who don't fit the general mold - can find acceptance and love in others. I loved how Celeste changed and matured during this novel and how she encountered and overcame the many obstacles in her way. This is an exceptional YA-novel, just as the first two books in the series were. It was also amazing to encounter the characters from "Flat out Love" and see how they fared in the last years ... and how they, too, were fighting their personal fights. Also, that ending!!! I'm not one for getting all emotional at books, but I had actual tears in my eyes during the proposal scene. And I was on the Metro, too :) I want to thank the author for writing this book. Jessica Park is flat out amazing!!!

Kurzbeschreibung For high-school senior Celeste Watkins, every day is a brutal test of bravery. And Celeste is scared. Alienated because she's too smart, her speech too affected, her social skills too far outside the norm, she seems to have no choice but to retreat into isolation. But college could set her free, right? If she can make it through this grueling senior year, then maybe. If she can just find that one person to throw her a lifeline, then maybe, just maybe. Justin Milano, a college sophomore with his own set of quirks, could be that person to pull her from a world of solitude. To rescue her that is, if she'll let him. Together, they may work. Together, they may save each other. And together they may also save another couple two people Celeste knows are absolutely, positively flat-out in love. Whether you were charmed by Celeste in Flat-Out Love or are meeting her for the first time, this book is a joyous celebration of differences, about battling private wars that rage in our heads and in our hearts, and very much so this is a story about first love. "I didn't think that this story would grab me like Flat-Out Love did. I knew I would love it, but I didn't know I would FREAKING LOVE IT as much as I do. -Reader Chrystle W." As anxious as I was to finish this book, part of me wanted it to last forever. So many big, fuzzy, feel-filled hearts for Jessica Park and this book. -Kimberly Faye Reads Kristie Pierce: "I don't know how anyone can walk away from this book and not be inspired. Or full of hope. -Reader Kristie P." Flat-Out Celeste is for anyone who has ever felt like an outcast. For anyone who thinks they're a little different. For anyone who's clumsy. For anyone who thinks outside the box. For anyone who doesn't follow social norms. For anyone who feels socially awkward. For anyone who has been picked on. For anyone who has sat alone at lunch. For anyone who knows what it's like to question if you really have friends. For anyone who is sad. -Literary Binge "Flat-Out Celeste was a brave, heart-wrenching story of a girl trying desperately to live life unlabeled. It's smart, funny, sweet, and at times even painful. -Love Between the Sheets Kurzbeschreibung For high-school senior Celeste Watkins, every day is a brutal test of bravery. And Celeste is scared. den Autor und weitere Mitwirkende Jessica Park is the author of FLAT-OUT CELESTE, LEFT DROWNING, FLAT-OUT LOVE, the FOL companion novella, FLAT-OUT MATT, and RELATIVELY FAMOUS. Jessica grew up in the Boston area and attended Macalester College in St. Paul, Minnesota. After spending four years in the frigid north, including suffering through one memorable Halloween blizzard, Jessica hightailed it back to the east coast. She now lives in (relatively balmy) New Hampshire with her husband, son, bananas dogs named Fritzzy and Finn, and a selfish cat. When not writing, Jessica indulges her healthy obsessions with Facebook and complicated coffee beverages.
