It's fascinating and holds your breath with every chapter. A heart for those who love that kind of tale 1 von 4 Kunden fanden die folgende Rezension hilfreich. Fairytale Von Jar Girl Just a very simple adult fairytale...the book was a bit boring with many cliches. Words were chosen with thought. Easy to read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Story / Tolles

BuchVon Julia(english below)Habe das Buch innerhalb von 3 Tagen verschlungen. Meiner Meinung nach eine richtig tolle Geschichte und jedem zu empfehlen, der Fantasy mag. Ich persnlich finde die Story schner abgerundet als die Papiermagier-Trilogie und das Ende gefllt mir besser - es ist meiner Meinung nach mit mehr Liebe und Aufwand ausgearbeitet worden. Da die Geschichte aus der Sicht einer Protagonistin geschildert wird, spricht das Buch wahrscheinlich eher Frauen an. Insgesamt bietet dieses Buch eine schne Geschichte, Liebe, Leid, Lachen und viele viele Trnchen (zumindest bei mir).I devoured this book within 3 days. What a great story! A commendation for every fantasy lover - though I think it addresses rather women than men, because the story is told through a womans eyes. I really like the end of this story - I think it's written with more love and effort than the end of the paper magician trilogy (though I like this trilogy as well... oh Emery Thane - how I love you :) ) This book contains a great story, with love, pain, laughter and a lot of tears (at least for me). (Please excuse mistakes in the English version - I tried my best)

KurzbeschreibungCharlie is a vibrant writer with an excellent voice and great world building. Brandon Sanderson, author of Mistborn and The Way of Kings Seventeen-year-old Smitha's wealth, status, and beauty make her the envy of her townuntil she rejects a strange mans marriage proposal and disastrous consequences follow. Smitha becomes cursed, and frost begins to encompass everything she touches. Banished to the hills, hunted by villagers, and chilled to the very core of her soul, she finds companionship with Death, who longs to coax her into his isolated world. But Smitha's desire for life proves stronger than despair, and a newfound purpose gives her hope. Will regrets over the past and an unexpected desire for a man she cannot touch be enough to warm Smithas heart, or will Death forever still it?KurzbeschreibungCharlie is a vibrant writer with an excellent voice and great world building.
