**Von Meredith Duran : Fool Me Twice (Rules for the Reckless)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fool Me Twice (Rules for the Reckless):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Tolles BuchVon Petra EckIch bin begeistert wie von allen Bchern dieser Autorin. Ich bin zwar sowieso Fan von historischen Liebesromanen. Meredith Duran allerdings ist noch mal eine Klasse fr sich. Ihre Sprache hat was ganz besonderes und findet sich nicht so leicht in anderen Romanen wieder.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nettos

Buch Von Anna D. Ich fand den Klappentext ein bisschen irreführend, ich finde dort werden Sachen angedeutet, die so nicht unbedingt vorkommen. Aber egal. Im nachhinein vermisse ich ein bisschen den Höhepunkt und am Ende fand ich hat man es sich sehr einfach gemacht. Insgesamt hätte man aus der Story mehr rausholen können. Es ist ein gut geschriebenes Buch, das letztendlich leider nicht zu 100% meinen Geschmack getroffen hat, daher 4 Sterne.

Kurzbeschreibung In the vein of Sarah MacLean, a sexy and evocative Regency romance between a vengeful duke and a fiery redhead from an author who is a veritable tour de force in the genre. Readers need to make room on their keeper shelf for Meredith Duran (Fresh Fiction). **A LADY WITH A SECRET** Running for her life, exhausted and out of options, Olivia Holladay wants nothing more than the chance to make a home for herself. So when she realizes that the infamous Duke of Marwick might hold the key to her freedom, she boldly disguises herself as the newest and bravest in a long line of the dukes notoriously temperamental housekeepers. Little does she know that the wickedly handsome Alastair de Grey has very different plans for her. **A MAN WITH A PASSION FOR VENGEANCE** As his new employee, Olivia is a fearless upstart. As a woman, the daring redhead is just what Alastair needs to rouse him from darkness to the siren call of revenge. He has suffered a betrayal so deep that he will use whatever means necessary to destroy his enemies even his brazen and beautiful domestic. But his vengeful plan fails to account for his single weakness: an irresistible and growing passion for the enigmatic Olivia.

ber den Autor und weitere Mitwirkende Meredith Duran is the USA TODAY bestselling author of ten previous novels. She blames Anne Boleyn for sparking her lifelong obsession with British history (and for convincing her that princely love is no prize if it doesn't come with a happily-ever-after). She enjoys collecting old etiquette manuals, guidebooks to nineteenth-century London, and travelogues by intrepid Victorian women.
