**Von Kristan Higgins : Fools Rush In (Mills Boon MB)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fools Rush In (Mills Boon MB):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Schmalz- und Balz mit nicht ganz vorhersehbaren WendungenVon F. LechtermannSchmal- und Balz war zu erwarten, die Sprache ist nicht zu platt und der Roman als solcher ist nicht zu vorhersehbar geschrieben und kann sich dadurch von der breiten Masse der Liebesschnulzen absetzen.Die Protagonistin ist Allgemeinrztin, die nach erfolgreichem

Studium in ihre Heimatstadt zurückkehrt, um dort die Tätigkeit als Ärztin aufzunehmen. Besonders freut sie sich, nicht nur ihrer Familie wieder nahe zu sein, sondern auch ihrem Jugendschwarm, den sie seit der Schulzeit in jeder freien Minute gestalkt hat. So kann sie weiter ihren Angebeteten auf Schritt und Tritt verfolgen und zudem Zeit mit ihrem Neffen, ihrem Ex-Schwager, ihrer allerbesten Freundin (der einzigen, die von ihrer Obsession weiß) und ihren netten Eltern verbringen. Dass dies dem Leser nicht zu langweilig wird, liegt an den immer wieder unplanmäßig in ihr Leben hereinrauschenden Menschen und Ereignissen, die alles ein wenig durcheinanderbringen und unsere Hauptfigur mit 30 Jahren dann endlich erwachsen werden lassen. Unterhaltsam und eine nette Lektüre vor dem Kamin, am Strand oder als Betthupferl. 2 von 3 Kunden fanden die folgende Rezension hilfreich. unaufdringliche Schmonzette Von heartattack Wer unergliche Geschichten à la Sparks, Ahern und Nicholls nicht mag, die meistens sehr unwahrscheinlich, grotesk und biersüß sind, ist bei Kristen Higgins ganz gut aufgehoben... es kommt halt immer was mit Hunden vor, aber sie schreibt sehr unaufdringlich, lässt eigene Vorstellungen zu, weil sie nicht alles bis ins Allerkleinste beschreibt... manchmal auch mit Humor daher kommt... 3 von 6 Kunden fanden die folgende Rezension hilfreich. A beautiful book about finding love where you don't expect to Von Katzenjammer123 Warning - contains spoiler. Kristan Higgins is an author I just recently discovered. I just finished "Fools Rush In" by her and absolutely loved it. Higgins manages to make scenarios I normally don't enjoy into something beautiful and I can only recommend this book and her other work. Our heroine is Millie Barnes, the intelligent sister, who is back in her hometown after going away to study medicine. Ever since high school she dreamed about getting together with Joe Carpenter and now she is back to achieve her dream. She thinks that she knows everything about him (hey, she kind of stalked him more often than not) and that Joe is her perfect match. So Millie is a girl who likes plans and after managing to make the most out of herself (for the first time she really enjoys how she looks like) she is finally ready to get her guy. And oh boy, does she get him only to realize after some time that a fantasy is just that: a fantasy that has sometimes nothing to do with reality. So after breaking up with Joe she realizes that she is in love with somebody totally different: her sister's ex-husband Sam. That's when the trouble really starts because Millie and Sam (of course he has feelings too) find themselves in a weird situation where they have to defend their feelings to their family and they have to decide if their love is worth all the turmoil. This book is so good, Millie is great and inspiring and she has a bunch of people who care about her, I especially like her gay friends who help her make the most of herself but also staying true to who she really is. So, if you haven't already read this beautiful and inspiring book get yourself a copy and realize that love sometimes takes the long way and not the shortcut. Enjoy. S.M.

Kurzbeschreibung Millie Barnes is this close to finally achieving her perfect life Rewarding job as a local doctor on Cape Cod? Check. Cute cottage of her very own? Check. Adorable puppy suitable for walks past attractive locals? Check! All she needs is for golden boy and former crush Joe Carpenter to notice her, and Millie will be set. But perfection isn't as easy as it looks especially when Sam Nickerson, a local policeman, is so distracting. Sure, he needs a friend after being dumped by Millie's fortune-hunting sister, but does she really need to enjoy his company that much? He is definitely not part of her master plan. But maybe it's time for Millie to start a new list Pressestimmen "There are very few authors who can pen a debut novel that grabs your heart and won't let go, Higgins is - without a doubt - such an author... Higgins reaches deep into every woman's soul and showed some heavy truths in a fantastically funny and touching tale. This book is on my keeper shelf and will remain there for eternity. It will be re-read and loved for years to come." - Dee Dee Dish on Books on Fools Rush In, Best Book of 2006. "Higgins offers readers a journey filled with tears and laughter and the best kind of sighs, proving she only gets better with each book." - New York Times "This author takes a lighthearted look at what one woman thinks she wants in a man... This is a story well worth reading." - Coffee Time Romance on Fools Rush In "Higgins writes the books you don't want to end." -- Robyn Carr, New York Times bestselling author "Higgins is a special writer at the top of her game. No other author manages to make us cry quite so achingly and laugh quite so hard." - NPR [An] emotionally compelling story [and] perceptive study of love, marriage, sisterhood, and loyalty. A powerful, emotionally textured winner.?" - Kirkus s on If You Only Knew "Hilarious... Kristan Higgins is spot on with her dialogue and characters. A fantastic story." - Fresh Fiction on If You Only Knew "Higgins' tender, heartfelt If You Only Knew bridges the gap between romance and women's fiction." - BookPage The kind of book I enjoy the most - sparkling characters, fast-moving plot and laugh-out-loud dialogue. A winner!" - Susan Elizabeth Phillips on If You Only Knew "Oh, what a satisfying and delicious read! I admired the writing, the wit, the keen eye at work here. Thank you, Kristan Higgins." - Elinor Lipman on If You Only Knew Kurzbeschreibung Millie Barnes is this close to finally achieving her perfect life Rewarding job as a local doctor on Cape Cod? Check.
