**Von Amy Lane : Forever Promised (Keeping Promise Rock Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Forever Promised (Keeping Promise Rock Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. It's the most beautiful end to a wonderful seriesVon SunneForever Promised the end to the series, that has started my m/m reading.Keeping Promise Rock had been my first m/m book. And now, after 4 books it was time to say good-bye to the people at Levy Oaks. People I got to know and love. Maybe fictional people but in my heart they had felt real,

every damn time I reread them. And I did that often enough because sometimes you just need to go to a place where you feel secure and loved. Ups I mean, I don't live there, not really, but hey, if I could, I would. Why? Deacon Winters' chosen family is the most caring and loving, individual bunch of people you can imagine. They have chosen to be together, they love true and honest, they work hard. They stand for each other and they are not afraid to bare their souls to help each other. And here I want to add a big hug for the Russian Diva, damn, Mikhail, you are a hero. So, I think I need to start saying something about the book. Well, the couples have found each other in the former books, they have married, have settled and only Benny is still somewhere in between. She and Drew are together and they want to start their life together with Parry Angel but Benny can see that Deacon is suffering from the loss of Jon and Amy, who have gotten the big chance to work as lawyers for the LGBT community in Washington. So she thinks of a way how to give him a big, a huge favor someone he can care for, who won't leave him too soon. Because Deacon is a nurturer. So she offers to carry his child. It is a dream Deacon hasn't even dared to dream, all his insecurities, health issues, fears cumulate and bubble to the surface. And with them the hope, the wish it might actually become reality. You know, something you never dared to wish because you thought it would be impossible to come true? And you have found reasons why it was even not good to wish for it? This is Deacon and the baby. But if we take one look at him, we know that if someone was meant to be a father, it would be Deacon. Why else was he the father of the little family, even if some of his kids are older than him? There are more storylines in that book, a few questions will be answered one, I had the whole time: Why didn't Benny fall hopelessly in love with Deacon when he took her in years ago? The answer is in the book. And some more. And some awesome moments with Mikhail. There are some awesome humorous moments in there, I laughed so hard. And holy s\*\*\*\*\* I think I read one of the hottest love scenes of my life, not sure why but that was raw. Don't expect it to be all sunshine though, Amy Lane puts us through the wringer once again (seriously, was that necessary?). And did I mention that Mikhail is awesome? I've read this one very slowly, rereading paragraphs immediately because I didn't want to miss something, didn't want it to end. But now I'm finished. Thank you Amy, that you introduced me to this family. Highly recommended (of course you have to read the first three books).

Kurzbeschreibung Keeping Promise Rock: Book Four Crick has been home from Iraq for five years, Jeff and Collin are finally married, and Shane and Mikhail are quietly making lives better for the dispossessed teenagers who come their way. Everything is right in Deacon's world, but nothing ever stays the same. When Deacon's best friends, Jon and Amy, answer the call of an opportunity in Washington, DC, Deacon figures that's life. You love people, and they leave you, and you survive. Even Benny, Crick's little sister, is close to grown and ready to start her own future. But Benny loves Deacon, and she owes him she may move beyond The Pulpit and Levee Oaks one day, but not without leaving something of herself behind. And so she offers Deacon and Crick an amazing gift and a terrifying decision. Benny's offer forces Deacon and Crick to dredge up every past mistake and offer of redemption. And not just the two of them everybody is forced to examine the chances they've been given and the promises they've made. In a real family, a child is a promise, and to the men and women of Promise Rock, keeping that promise will change their lives forever.
