....adorable funny sexy moving 4th Pucked romance! PERFECT!Von Bianca @BJsBBWhen FOREVER PUCKED

landed on my kindle, I thought, ok - this will be a tiny little wedding-novella. But nope - it's a huge full-length book! Violet and Alex (from book #1 - if you've forgotten about them... Beaver, Super MC, ring any bells??) have been together for a year now. And while Violet is still a bit uncomfortable with all the money she's suddenly allowed or rather forced to use, she's very very happy with her hockey god and his MC. But of course being engaged might one day lead to them getting married. And that is kind of a problem for our Violet, because as soon as someone, like Alex or their moms, mention the W-word - she breaks out in hives!! She hates being the center of attention, and at her own wedding that would hardly be avoidable ... But before they can talk more about the scary wedding plans, and before the moms can drive her even more insane with talk about wedding venues.... Alex is hurt pretty badly in a game and suddenly all her wedding fears seem so meaningless..... **WHAT WILL HAPPEN TO ALEX VIOLET? WILL EVERYBODY SURVIVE THE WEDDING PREPARATIONS?** _____ **YES** - another #PUCKED book!!! **ALEX 'MC' WATERS!!** I really enjoyed this story! If I had to say which of the 4 books is my favorite? I think I'd still go with the second one... BUT that doesn't mean that Alex Violet aren't just as great!! Just like with Alex Violet's first book, I had a few tiny little problems with Violet. She's just a bit too over the top for me. She's even SO much over the top, that she's kind of amazing again. But still, all that talk about Beavers and MCs and whatnot - a tiny little bit too much. Not as bad as the first book - maybe because I'm used to her weird talking now BUT - I really loved the story. I laughed a LOT - I even cried a lot ... The story was so adorable and moving and sexy and frustrating and sad and funny and heartbreaking just perfect. We meet all of our couples again and a few others too... As I said before, I was expecting a tiny little wedding novella, but what I got was soooo much more! **FOREVER PUCKED** was an amazingly adorable and funny and sexy and moving romance about how a hot hockey god will finally find his Happily Ever After with his slightly crazy girl! 1 von 1 Kunden fanden die folgende Rezension hilfreich. 4,5 Sterne Von Amaya Die Serie ist wirklich toll. Der Schreibstil von Helena Hunting ist klasse, ihre Charaktere sind besonders und die Geschichte an sich ist auch gut. Dazu kommt, dass es eine Hockey-Romance ist, bei der tatsächlich auch ab und an mal Hockey vorkommt. Ebenso wie jede Menge explizite Sex-Szenen. behaupt wird mit dem Thema Sex sehr offen und locker umgegangen. Und der Humor kommt auch nicht zu kurz. Das Besondere an diesem Band der Reihe ist, dass hier die Geschichte des Paares aus dem ersten Teil weitergeführt wird und zwar in voller Romanlänge und nicht nur als Kurzgeschichte. Außerdem tauchen auch die ganzen Personen aus den vorherigen Bänden auf; das mag ich immer gerne, denn jeder hat so seine Lieblinge und freut sich, von diesen zu lesen. Mein Problem mit diesem Buch (und der Grund, warum ich nicht 5 Sterne gebe) ist, dass Violet nicht zu meinen Lieblingen gehört. Als Nebenfigur in den vorherigen Bänden fand ich sie gut, aber als Hauptfigur ist sie mir einfach too much und was Alex an ihr toll findet (außer ihrem Dekollet) hat sich mir leider nicht erschlossen. Außerdem ging mir die Gottesanbetung des MC dann doch zu weit und hat in der 53356787. Wiederholung einfach nur noch genervt. Dennoch: Ein tolles Buch, das man als Fan der Serie auf keinen Fall auslassen darf. 1 von 1 Kunden fanden die folgende Rezension hilfreich. **Happily Ever After** Von Glöckskind... well, not completely, but Forever Pucked is a good end to the Pucked series. However I can only give four stars, because Alex and Violet are my least favorite couple and it was just too much again in this book. Too much selfishness from both parts, too much insecurities and most of the times Alex is just insensitive and rude in my opinion... Sorry, but it just gets worse in every book... :/ However it's well written, the plot is good and I love reconnecting with all of the other persons... I really hope Lance gets his own story in the end... He deserves a HEA, too... :)

Kurzbeschreibung Being engaged to Alex Waters, team captain and the highest paid NHL player in the league, is awesome. How could it not be? In addition to being an amazing hockey player, he's an incurable romantic with an XL heart, and an XXL hockey stick in his pants. And he knows how to use it. Incredibly, orgasmically well. Alex is the whole package and more. Literally. Like his package is insane. Total world record holder material. So it makes complete sense that Violet Hall can't wait to nail him down to the matrimonial mattress and become Mrs. Violet Waters. It's so romantic. Violet is totally stoked to set a date. Eventually. At some point. Likely before the next millennium. Or when Violet stops getting hives every time someone brings up the wedding, and their mothers stop colluding on stadium sized venues. Whichever comes first. ***Forever PUCKED is a followup to PUCKED (The Pucked Series Book 1), while it is not necessary to have read Pucked Up (Book 2) or Pucked Over (Book 3) it is highly recommended to that you read Pucked first. ***Pressestimmen*** "Pucked Over" turns that frown upside down in more ways than one with balls-to-the-wall comedy that keeps this hilarious series going.
