zerbricht. Mir stellt sich die Frage, ob der Name der Intrigantin eine Anspielung ist oder doch nur Zufall!?! Nichtsdestotrotz sehr lesenswert. Sptestens nach diesen Teil drstet es nach den verbliebenen drei Braden-Geschwistern...0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun ReadVon -KundeI have read most of the Braden series and this was one of my favorites. It's interesting until the end and even though you know that everything will be fine, the dialogues are funny and I liked the characters. If you have already read some of Melissa Fosters books and liked her style you will not be disappointed with this one. I would also recommend reading them in order even if they can stand alone. It's more fun to see how the characters develop through the series. For lovers of romantic books this is a fun read. It has only four stars because I'm missing originality for it to be super but it was well written and I enjoyed myself.
