**Von Lynn Kurland : From This Moment On (De Piaget series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised From This Moment On (De Piaget series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. .Von Kerstin RoushLynn Kurland is one of my favorite authors. I have read all her books and more than once. Love them

all.

**Kurzbeschreibung**In this sweeping, emotional love story, USA Today bestselling author Lynn Kurland takes us back to the thirteenth century-and all the passion and magnificence of medieval England.From Publishers WeeklyWith its gruff, burly hero and warrior-like heroine, Kurland's winsome medieval-era romance fearlessly flies in the face of convention. Colin of Berkhamshire, also known as the Butcher, is so fearsome that all of his prospective brides have created excuses to avoid marrying him-all except one. Alinore of Sologne simply vanished and, disguised as a knight, secured a position attending Lady Sybil of Maignelay. Posing as Sir Henri, Alinore accompanies Sybil to meet the man to whom she has been secretly betrothed. Too late, Henri realizes that the bridegroom is the infamous Butcher. Her horror intensifies when Colin, who prides himself on his fighting skills, makes it his mission to teach "Henri" sword skills and manliness of speech and mannerisms. Alinore's wild imagination and Colin's resemblance to a large mastiff hound (with a tough exterior and soft interior) keep the narrative bursting with fun. The plot takes an even more delightful turn after Colin realizes Henri is his runaway Alinore and he sets about "wooing" her with suave lines like "You look, um, quite a bit like a girl." A disarming blend of romance, suspense and heartwarming humor, this book is romantic comedy at its best.**Copyright 2002 Reed Business Information, Inc.****From Booklist**To avoid being wed to the fiercest man in England, Colin of Berkhamshire, Alienore of Solonge flees her home disguised as Sir Henri, a young knight. After hiding out for nearly two years and serving as an escort for the ever-hungry Lady Sybil, Alienore sees the opportunity for which she has been waiting: once she escorts the recently betrothed Sybil to her new home, she'll run away. But to Alienore's great surprise, Sybil's new fiance turns out to be Colin, the Butcher of Berkhamshire! As Alienore plots to find some way to yet again escape from Colin, the brutal warrior decides he will teach Henri how to be a "real" knight. Kurland's latest romance is a deftly plotted delight, seasoned with a wonderfully wry sense of humor and graced with endearing, unforgettable characters, including a trio of healer-witches, a rough-around-the-edges hero who can't understand why all his fiancées flee or faint at the sight of him, and a heroine who discovers she is stronger than she ever imagined. **John Charles****Copyright American Library Association.
