Von K. Bromberg : Fueled (The Driven Series Book 2) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fueled (The Driven Series Book 2) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Sucht, Sucht, Sucht Von Rudi Rapp Wie schon das erste Buch ist auch dieses wieder absolut schtig machend. Immer wenn man meint durchatmen zu knnen, weil die beiden endlich in die Ptte kommen, folgt schon wieder das nchste Chaos. Es ist eine Gottesgabe Menschen in Geschichten zum Leben zu erwecken. Diese Gabe besitzt Kristy Bromberg nun

wirklich. Die Dynamik zwischen den Charakteren ist faszinierend. Wer Probleme damit hat das Ende nicht erwarten zu können, sollte warten bis der letzte Teil Crashed erscheint. Das Warten darauf ist nach Fueled wirklich fast nicht auszuhalten. Absolut unter meinen Top 5-Serien. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kaufen, kaufen, kaufen Von Kat Fueled habe ich gekauft noch während ich Driven las. Ich wusste, dass ich in der Minute weiterlesen muss, in der der erste Teil endete. Fueled ist eine würdige Fortsetzung des ersten Buches und wenn Buch Nummer drei ebenso gut wird, dann ist die Driven Serie ein Highlight. Colton Rylee - man möchte die beiden glücklich sehen. Die Vergangenheit aber holt die beiden immer wieder ein und droht das junge Glück vollends zu zerstreuen. Man fiebert mit, man bangt, man hofft und möchte sich die Haare raufen, auch wenn man weiß, dass man auf das Ende der Serie warten muss um zu sehen, wie es mit den beiden weitergeht. Beim Lesen von Fueled habe ich einen inneren Kampf ausgetragen - so schnell wie möglich lesen um zu sehen wie es weitergeht oder, so langsam wie möglich, um den Genuss und die Ungewissheit hinauszuzögern. Am Ende habe ich mich für letzteres entschieden - auch im Wissen auf Teil drei noch eine unbestimmte Zeit warten zu müssen. Wer also ungeduldig ist, sollte wirklich abwarten bis mit "Crashed" auch der dritte Teil veröffentlicht ist. Hätte ich mal besser den Rat der vorherigen Rezensenten beherzigt, müsste ich jetzt nicht so frustriert warten:). Ein ganz winziger Kritikpunkt: hätte mir lieber ein paar Sexszenen weniger, dafür aber einen stringenteren Handlungsstrang gewünscht. Dennoch finde ich Brombergs Art zu schreiben überzeugender als andere Autorinnen ähnlicher Werke und fiebere somit "Crashed" entgegen. Kaufen! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Awesome! Von Cat Eyes I can't say I loved it more because that would be like preferring one of your kids :-). This book continues right where the first one ended and it makes perfect sense, the story continues just as great and once again you can relate..... laughter, tears, angst.... all there. You will not regret reading it. Driven and Fueled are among my top 5 all time favorite books.

Kurzbeschreibung Top Pick for 's Best Romance Books for 2013 USA Today and New York Times Best-Selling Author Book #2 of the Driven Trilogy What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted neither of us anticipated that fateful night as us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love? Pressestimmen "Bromberg is a master at turning up the heat!"
