Von Mimi Jean Pamfiloff : fugly (The Fugly Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised fugly (The Fugly Series Book 1) (English Edition):

CHRISTVon IdaLottaI can't really remember the last time a book had me that worked up in such a bad way!Granted, I "bought" it when it was free, and the title, cover-art and pretty much everything else strongly suggest what you're going to get... but still.Maybe the male main character Max's "condition" (cough cough cough) of being LITERALLY (!!) allergic to ugliness was supposed to leave the reader with some kind of grand revelations about

society's obsession with beauty... but come on, people. And instead of, you know, telling him to go to hell, our heroine (?) Lily helps to desensitize him just by existing around him, in all her ugliness. How courageous! Yay for feminism. The only reason this book got two stars instead of one is that, in spite of, you know, everything, I got the impression the author knew what she was doing, writing-wise. Which all in itself is another tragedy. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Ugly is in the eye of the beholder? Von Magritte Lily Snow... What a beautiful name. and Lily is indeed beautiful, but on the inside only. Well her body is beautiful as well, but her face is simply ... ugly. But Lily is smart, fun and really charming. She has fought all her life to be where she is today. In front of the door of Maxwell Cole, hopefully her future boss, for her dream job, working for the cosmetic industry, for a man who believes every woman is beautiful... BUT his first reaction to her is ... ugly. He does offer her a job, but not what she expects. I liked the characters, but had the impression to remain on a superficial level of them only. They were nice and interesting nonetheless. The story is about courage and beauty. I enjoyed the plot and the story, but I hate lack of communication between characters leading to misunderstanding and drama. The writing was nice and fast. I liked the book and immediately bought another book by Mrs. Pafiloff. Enjoy the read MBTM

Kurzbeschreibung ***Now available, too! IT'S A FUGLY LIFE, Book #2 and a Standalone Continuation of FUGLY, a USA Today Bestseller*** UGLY IS IN THE EYE OF THE BEHOLDER... My name is Lily Snow. I am twenty-five years old, and despite being born with an unattractive face, I have never doubted who I am: smart, driven, and beautiful on the inside. Until I met Maxwell Cole. He's handsome, excessively wealthy, and the owner of Cole Cosmetics. It's been my dream to work for this man for as long as I can remember. The good news is he wants to hire me. The bad news is he wants me for all the wrong reasons. Ugly reasons. In exchange, he's offered me my dreams on a silver platter. The job. The title. A beautiful future. But this man is as messed up and ugly as they come on the inside. I'm not sure anyone can help him, and he just might take my heart down with him. (STAND ALONE NOVEL- MATURE AUDIENCES ONLY)
