Von Erin Nicholas : Getting Out of Hand: Sapphire Falls book one (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Getting Out of Hand: Sapphire Falls book one (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Unterhaltsam und amüsant Von CustomerEr trifft sie und beide sind sofort einander "verfallen". Das ist nichts Neues aber die Charaktere sind gut beschrieben (Haupt- und Nebendarsteller) und zuviel Selbstzweifel in einer Geschichte finde ich doof. Dennoch gibt es auch hier unsere Einflüsse, die die Beziehung anknabbern ...Das ganze ist aber unterhaltsam

und ansant verpackt und macht Spass.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz in OrdnungVon BschungshobelPunktabzug, weil zum Schluss fr meinen Geschmack zu viel unglaubwrdiges Sholzgeraspel aufgetischt wird, das luft dann alles irgendwie zu glatt, auch wenn es echt gut erzahlt wird.Ansonsten sind ein paar nette Ideen gut umgesetzt, es hat so ein bisschen seinen eigenen Stil, was die Geschichte aus dem Mainstream heraushebt und zu 4 Sternen fhrt.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sapphire FallsVon butterflykissesWho would have guessed returning to Sapphire Falls could change your life? Could turn you from nerdy and weird to "normal" ...and let you meet the live of your life

KurzbeschreibungThe first book in the USA Today Bestselling series from Erin Nicholas!Genius scientist Mason Riley can cure world hunger, impress the media and piss off the Vice President of the United States all before breakfast. But hes not sure he can get through his high school class reunion.Then he meets the new girl in town.Adrienne Scott loves Sapphire Falls. The sleepy little town has been the perfect place to escape her fast-paced, high stress lifestyle. Her only plans now include opening her candy shop and living a quiet, drama-free life.Until Mason Riley bids four hundred dollars just to dance with her.Mason sure doesnt lookor kisslike a genius scientist geek. In fact, he makes Adriannes heart pound like nothing shes ever experienced. Passion like this with a guy who travels the world and parties at the White House should probably be a red flag for a girl who wants a simple boring life. Good thing no one falls in love in a weekend.WARNING: read only if you don't mind some naughty words, sexy times described in great detail, humor, small town quirkiness, meddling best friends, mud in the kitchen, references to bisexuality, oh and talk about candy... and that's not a euphemism for anything... actual candy.SAPPHIRE FALLS SERIESGetting Out of Hand, book oneGetting Worked Up, book twoGetting Dirty, book threeGetting In the Spirit, Christmas novellaGetting In the Mood, Valentine's novellaGetting It All, book fourGetting Lucky, book fiveGetting Over It, book sixGetting to Her, book six companion novellaGetting to the Church On Time, Christmas wedding novellaGetting His Way, book sevenKurzbeschreibungThe first book in the USA Today Bestselling series from Erin Nicholas!Genius scientist Mason Riley can cure world hunger, impress the media and piss off the Vice President of the United States all before breakfast. Her stories have been described as toe-curling, enchanting, steamy and fun. She loves to write about reluctant heroes, imperfect heroines and happily ever afters. She lives in the Midwest with her husband who only wants to read the sex scenes in her books, her kids who will never read the sex scenes in her books, and family and friends who say theyre shocked by the sex scenes in her books (yeah, right!). You can find Erin on the web at www.ErinNicholas.com, on Twitter (<http://twitter.com/ErinNicholas>) and on Facebook (<https://www.facebook.com/ErinNicholasBooks>)
