Von Kate McCarthy : Give Me Grace (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Give Me Grace (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. einfach nur HammerVon LaraWas soll ich noch sagen, jedes Buch, dass ich von dieser Autorin lesen, verdient mehr als 5 Sterne und hier ist es keine Ausnahme.Eine mitreieude Geschichte, die sich sehr gut in die Umgebung der anderen

Bücher der Serie einfügt und man von vorne bis hinten einfach nur mitlachen, mitfühlen und mitfiebern kann.

Kurzbeschreibung Book #3 in the Give Me series. Casey Daniels has a past forged in Hell. Despite the friends, the endless supply of women, and the muscle car he spent years restoring, it still eats away at him. Grace Paterson is in Sydney as a temporary bassist for Jamieson, the band Casey handles security for. She's also infuriating, off-limits, and completely irresistible. A deal is struck, and despite their intense and powerful connection, both think it will be easy to walk away. But life can be more ruthless than either of them ever imagined. Not only does Grace have a secret she's desperate to keep, Casey has questions from his past that he's willing to do anything to get answers for. It's not until someone wants one of them dead that Casey realizes his love for Grace is the one thing he could never walk away from. In a story of revenge, betrayal, secrets, and love, Casey will need to reconcile his past with his present, before the future he never knew he wanted is snatched away. *Please Note: Kate McCarthy is an Australian author and Australian English, spelling and slang have been used in this book. This book is recommended for 18+ due to adult language and content.*
