Von J.D. Robb : Glory in Death (In Death, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Glory in Death (In Death, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Better the 2nd. time around!Von Ein KundeI truly enjoyed the first book of this series, but it seems light compared to the

development fullness of Eve Roarke in this 2nd book. The unfolding of their relationship is as exciting to read as the crimes to be solved. The struggle of these two very independent, strong people is so real, you feel their pain and their joy. Robb, does a good job dealing with "OUR FUTURE" world, very believable. Introduction of Peabody, wonderful new addition.2 von 2 Kunden fanden die folgende Rezension hilfreich. Great Ending!Von Marcia L. HopkinsI read every J.D. Robb (Nora Roberts) book I can find. I have enjoyed them all. This one had a great ending and kept me guessing about 'who done it' until the wrap up. I really like Eve Dallas and Roarke as a couple and Eve as a cop is perfect. I'm looking forward to the next one "Witness in Death".2 von 2 Kunden fanden die folgende Rezension hilfreich. Non-stop.... Von Tam SestoNon-stop action, loving, and mystery. I was guessing up to the final chapter who the killer was, and didn't get it. I love a good thriller/mystery that keeps me in suspense until the end like Glory in Death does. I highly recommend!

Kurzbeschreibung#1 New York Times bestselling author J. D. Robb presents the thrilling second novel in her In Death series. When technology can reveal the darkest of secrets, there's only one place to hide a crime of passion in the heartThe first victim was found lying on a sidewalk in the rain. The second was murdered in her own apartment building. Police Lieutenant Eve Dallas had no problem finding connections between the two crimes. Both victims were beautiful and highly successful women. Their glamorous lives and loves were the talk of the city. And their intimate relations with men of great power and wealth provided Eve with a long list of suspectsincluding her own lover, Roarke. As a woman, Eve was compelled to trust the man who shared her bed. But as a cop, it was her job to follow every lead...to investigate every scandalous rumor...to explore every secret passion, no matter how dark. Or how dangerous.From the Paperback edition.From Library JournalIn the second of this futuristic mystery series, protagonist New York police Lieutenant Eve Dallas looks for a serial killer of prominent career women. Eve tenaciously follows the clues whether they imperil her romantic relationship with a millionaire or her beloved job. Truth and justice are the goals she works resolutely toward and that lead her finally to solve the case, save the life of a friend, and command the respect of her tall, dark, handsome lover. If the supporting characters are somewhat stereotypical and the ending easy to predict, the humor and imaginative slice of mid-21st-century life provide scope for the reader's talents. Cristine McMurdo-Wallis gives an enjoyable performance as she adeptly portrays the energetic, idealistic, and dogged detective. She impersonates the characters with confidence and style, whether it is the crusty commander, the shattered daughter of one of the victims, the ambitious, uninhibited journalist, or Eve's cagey Irish lover.
