anders. Wie (fast) immer: beste Unterhaltung aus dem Hause SE Smith. Bei diesem Buch gefällt mir der melodramatische Unterton. Gibt der (recht spannenden) Geschichte noch eine Extraportion Pathos. Gute Figuren (wer sich bei SciFi TV Serien und Filmen etwas auskennt wird das eine oder andere Deja Vu haben), zugeht nicht zu schwulstige Storyline. Nettes Entertainment! 10 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend geschrieben! Von CA Sehr spannende Geschichte! SciFi mit Erotik, aber auch Verschwörung und sehr interessanten Wendungen! Ein sehr schön geschriebenes Buch und ich warte auf die Fortsetzung der Reihe!

Kurzbeschreibung New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Gracie Jones was little more than a child when the Earth was invaded by an alien species. Escaping into the subway tunnels of New York City, she hid in fear of being captured. Discovered by four men who became her protectors, she fought alongside them and they became known as the Freedom Five. At seventeen, she made a decision that turned the tide on the war between Earth and the Alluthans but in exchange she gave up all that she knew. Kordon Jefe is a Zion Warrior and commanding officer in charge of the Confederation of Planets military. When an unknown species begins attacking some of their outer settlements, he is assigned to discover who they are and stop them at any cost. Gracie unknowingly finds herself stranded millions of light years and hundreds of years in the future in a distant galaxy on an undeveloped moon. When an old enemy threatens once more, she does not hesitate to use her knowledge to try to stop them once again. Only this time, it is not just Earth she will be saving but the Confederation itself. When their two worlds are thrown together, Kordon is unsure what to do with the strange, delicate creature that fights and behaves unlike anything he has ever encountered before. One thing he does know, he plans to keep her. By reading any further, you are stating that you are at least 18 years of age. If you are under the age of 18, please get a refund for this book. It is designed for the entertainment of mature readers only. Pressestimmen There is so much to this story, that it's truly hard to capture it all. This book was poignant and had me in tears as well as put a smile on my face. Combine that with a steamy romance and it was a truly memorable read. Night Owl s: Gracie Jones and the Freedom Five have been living in hiding since the war with the Alluthans. Gracie has discovered a way to plant a virus in their mother ship and leaves to accomplish that. The blast from the fallout sends Gracie a million of miles away and little known by her hundreds of years in the future. Gracie and her ship are found on a distant planet by Koron and his crew. Instant attraction happens and Gracie is brought to his home world. Lots of mystery and intrigue is happening on the planet and an old enemy is causing trouble-the Alluthan. But Gracie and her warrior can take care of that problem and any other problems that comes their way! First I would like to say I love the worlds S.E. Smith introduces us to in her books. These worlds are exciting and full of hot Alpha males-this book is no different! Koran is a warrior and a hot alpha male. Gracie Jones is an alpha female that is nerdy take action female. These two lead characters make for a hot read. As all of the author's books there's plenty of action in and out of the bedroom and also a dose of humor. Read Gracie's Touch and you will be downloading more books from this author.
