Wonderful! Von Ein Kunde This story promises to be a classic. Everything that makes a good story: adventure, conflict,

mystery, and love is in this book. Cash believes he has no reason to trust or care about any female--with the exception of his sister. Then, he meets Mariah, the sister of his best friend and all his theories go out the window. Of course, he does his best to fight off his feelings, but it's of no use. He's caught. However, he goes down fighting, kicking, and screaming. Mariah loses heart when he doubts that the baby she carries is his and decides to make him believe her. The attempt almost kills her but also allows Cash to realize his true feelings. It's a two-hanky book. Wonderful, wonderful, wonderful. 1 von 1 Kunden fanden die folgende Rezension hilfreich.
