sterblichen Körper aber mit bernadettischen Kräften ausgestattet jagt sie bereits jung erbarmungslos Vampire. Bis sie auf Bones trifft, dem sie nicht gewachsen ist. Cat glaubt, ihr letztes Stündlein hat geschlagen, doch statt dessen beginnt Bones ein Training mit ihr und verbessert ihre Pfflungstechnik. Gemeinsam jagen die beiden von nun an eine Gruppe Vampire, die junge Frauen verschleppt und tötet. Und Cat kann ihren Hass auf Vampire nicht länger aufrecht erhalten - sie erkennt dass nicht alle Vampire schlecht sind ... und nicht alle Menschen gut. Jeannie Frost bietet in ihrem Erstlingswerk "Halfway to the Grave" vom ersten Satz an Spannung, Action und Romantik. Kriminalfall und Liebesgeschichte stehen hier gleichberechtigt nebeneinander, der Krimiplot ist geradeaus konstruiert, aber spannend und die Liebesgeschichte ist ebenso geradeaus, erotisch, gefühlvoll und doch kein bisschen kitschig. Cat ist eine rebellische Persönlichkeit, Bones ist ein absoluter Traum-Held. Die Story erinnert ein bisschen an Monings Fever-Serie mit einer Prise früherer Anita Blake-Bücher, hat aber genug eigenes um nicht einfach als Neuauflage hundertfach durchgekauter Ideen durchzufallen. Dazu kommt ein unkonventionelles Ende das den Leser ungeduldig auf den zweiten Band der Serie warten lässt. Fazit: Die Autorin hat sich für mich mit nur einem einzigen Buch bereits in die oberste Liga der paranormalen Serien katapultiert. Richtig Gut! 0 von 0 Kunden fanden die folgende Rezension hilfreich. One-dimensional Von Cathy H It took me two weeks to get through this -- including skimming over the last 100 pages. I am still trying to figure out what I did not like about it. It just did not grip me. I did not connect with the characters. Bones stayed one-dimensional. I did not like the mother. The plotline did not interest me. The bad guy was just a blank. She definitely didn't have me staked in five seconds flat. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very promising start Von Lisa 3,5 stars This was very entertaining but there was a spark missing that could have made the book even better. I really liked Cat and Bones, they are both sassy and real funny. The writing was good, too, and the plot interesting. Only the pacing was off. The beginning, after Cat's and Bones' deal, was too slow, the pace was slacking. It picked up in the middle and luckily gained momentum at the action-packed and awesome ending. Looking forward to the next one!

Kurzbeschreibung Half-vampire Catherine Crawfield is going after the undead with a vengeance, hoping that one of these deadbeats is her father the one responsible for ruining her mother's life. Then she's captured by Bones, a vampire bounty hunter, and is forced into an unholy partnership. In exchange for finding her father, Cat agrees to train with the sexy night stalker until her battle reflexes are as sharp as his fangs. She's amazed she doesn't end up as his dinner are there actually good vampires? Pretty soon Bones will have her convinced that being half-dead doesn't have to be all bad. But before she can enjoy her newfound status as kick-ass demon hunter, Cat and Bones are pursued by a group of killers. Now Cat will have to choose a side . . . and Bones is turning out to be as tempting as any man with a heartbeat. Pressestimmen Sure to please fans of Kim Harrison and Kelly Armstrong.
