sehr gut beschrieben. die Heldin stark und doch verletzlich und menschlich. Der held auerirdisch, meint, das Frauen nichts knnen, wird eines besseren belehrt, einfach ein Buch das sehr gut tut. Freu mich schon das Nchste aus dieser Reihe zu lesen. Diese Autorin ist nur zu empfehlen!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sss, witzig, spannendVon Jessicaauch das zweite Band hat mir sehr gut gefallen. es ist einfach zu lesen, ohne die ganzen dramatischen Missverstndnisse oder komischen Grnde warum eine Beziehung nicht funktioniert. frei mich schon aufs dritte Band

I just love S.E SmithNight Owl s: In her mind Hannah was damaged beyond repair when she survived the terrorist attack that left several dead. She watched people die, was taken prisoner and almost raped. After her escape she traveled 10 days alone to safety. Those who love her agree she s never been the same. Can one man change that? Isolating herself from humanity on purpose Hannah has always had an affinity for feeling trouble when it comes to her family. When she experiences the feelings about her sister Tink she s on the next plane home. What she finds is her own destiny and possible salvation. Borj wants what his brother has found and thinks Tink s sister is his intended Bond Mate. His suspicions are confirmed when they meet and the marks appear but he has to fight an enemy he never anticipated to keep Hannah. Hannah herself. Picking up where the first book left off we are again assaulted with the diminutive but dynamic Bell women. The warriors of Baade don t know what to make of the earth women but they certainly all want one! When Hannah is taken by another clan Ambassador Borj shows his warrior roots as he takes on those who would separate him from his intended. This was an at times lighthearted story as well as dark as Hannah undergoes her worst nightmare all over again. If squeamish about violence against women you may want to avoid this one.""S.E.
