Unrecht) einiger Kunden abgewertet wird. Bitte bewertet doch den Inhalt und den Schreibstil. Der Unmut bei der "Falschlieferrung" kann ja am Beginn oder am Ende noch geussert werden. Das Sinnvollste in dieser Situation ist aber auf jeden Fall, das Buch an zurckzusenden. Dies funktioniert einwandfrei! Das Buch selbst ist ein schner und romantischer Abschluss einer Bcherreihe, man bedauert fast, dass es schon zu Ende ist! Ich werde das Buch auf jeden Fall nochmals in Deutsch lesen - damit ich einfach nur geniessen kann. Ach ja, der Titel in Deutsch heisst brigens Winterwunder und soll im September erscheinen. 37 von 45 Kunden fanden die folgende Rezension hilfreich. A celebration of love Von Katzenjammer123review The perfect book to end this wonderful series. Parker Brown loves her life. Working together with her three best friends in their own wedding business is everything she wished for. She doesn't mind the long hours and hard work because she believes in love and giving couples a great start into their marriage makes her happy. After Mac, Emma and Laurel all found love Parker is wondering what the future holds for her. Sure Malcolm Kavanaugh is sexy, charming, a good son and friend and also hardworking. But he also irritates her whenever they meet. At first Parker isn't sure how to handle the attraction she feels for Mal but comes to realize that giving him and their relationship a chance might be one of the best decisions in her life. Will Mal and Parker find a way to their personal happy end although on first glance they couldn't be more different? It's no secret that I adore the books in the Bride Quartet by Nora Roberts and "Happy Ever After" is no exception. The book fits perfectly in this series because it's just as lovely, entertaining and full of great characters as the other three books. I loved reading about Parker Mal and how they got to know each other better. On first glance they are quiet different but they value the same things and it's soon pretty clear that they are perfect for each other. I liked Parker from book one on and I was so happy to read how she found love with a great man who respects her dreams and ambitions. Mal is a fantastic hero. Learning more about his hard past made me want to hug him. I loved how he thinks about cheaters and bullies and that he is as open-minded as the others. Parker and Mal's relationship is even less dramatic than the ones in the other three books and I love that Nora Roberts doesn't need a big showdown to write wonderful and emotional books. The book is not only beautiful and relaxed but also pretty funny and I had to smile a lot while reading it. One of my highlights is how Parker and Mal dealt with Linda at Mac and Carter's wedding. I thought that there would be something dramatic but the way Nora Roberts wrote it was so much better and made me like Mal even more. I also loved the scenes in which the guys (Carter, Jack and Del) talked about their fiancées to Mal. To read how much they love and respect their women was heart-warming and wonderful. Another thing I enjoy in this series is that it's about love and friendship and that Nora Roberts doesn't make differences between heterosexual and gay couples. "Happy Ever After" and the Bride Quartet are a celebration of love and there's no place for prejudices. If you are looking for beautiful romances with great characters that concentrate on friendship and little details then you will love this book and the series. cover A beautiful (both the US and UK) cover and just perfect for the book. final appraisal A book to sit back, relax and just enjoy reading about friendship and love. I enjoyed every little detail about this book and the whole series. If you are looking for drama then it's not for you but if you are looking for a beautifully written and calm love story full of deep feelings then you will enjoy "Happy Ever After". It's one of the books that I will reread again and again because it's just so wonderful and makes me happy. 4 von 5 Kunden fanden die folgende Rezension hilfreich. romantisch Von dinehoney wollte nicht mehr auf die deutsche fassung warten also hab ich es auf englisch gekauft. da mir die geschichte so gut gefallen hat, werde ich es dann aber auch nochmal auf deutsch lesen. die ganze reihe war super. und dieses buch war die krnung. von mir aus htte es immer so weiter gehen knnen. was ich aber echt dmlich finde sind leute die einfach zu b... zum lesen sind. mal ber den titel nachgedacht? was hat der mit der jahreszeit zu tun???? und nebenbei er ist englisch. und wenn man nicht sicher ist steht oben neben dem autor auch bersetzer. steht es nicht da? oh wunder dann ist es englisch. also regt euch ab. kann keiner was fr das ihr nicht lesen knnt. mit eurer bewertung zieht ihr ein tolles buch runter. schickt es zurck und regt euch ab. Happy Ever After

Kurzbeschreibung Dreams are realized in the final novel in #1 New York Times bestselling author Nora Roberts's Bride Quartet. As the public face of Vows wedding planning company, Parker Brown has an uncanny knack for fulfilling every bride's vision. She just can't see where her own life is headed. Mechanic Malcom Kavanaugh loves figuring out how things work, and Parker Brown with her endless legs is no exception. But as a good friend of Parker's brother, he knows that moving from minor flirtation to major hook-up is a serious step. No man has rattled Parker in a long time, but the motorcycle-riding, raven-haired Mal seems to have a knack for it. His passionate kisses always catch her off guard, much like her growing feelings for him. Parker's business risks have always paid off, but now she'll have to take the chance of a lifetime with her heart. Don't miss the other books in the Bride Quartet: Vision in White, Bed of Roses, Savor the Moment.
